Notice for 2011SYE042 / DA2011/0400 - Demolition works, construction of an Infill Affordable Housing Development under SEPP (Affordable Rental Housing) 2009 and Strata Subdivision, 2 Riverhill Avenue, Forestville (Warringah LGA)

At a public meeting on 27 July 2011, the Sydney East Joint Regional Planning Panel resolved to defer the determination of the above application.

The applicant has now lodged amended plans with Warringah Council. Due to concerns raised by the community on the notification timeframes, Council has advised the Panel Secretariat that the notification period will be extended by two weeks, from 28 September 2011 to 27 October 2011. The Regional Panel endorses the extended notification period.

A supplementary report will be prepared by Council's assessment officer and submitted to the Panel Secretariat by 4 November 2011. This report will be available on the Regional Panels website www.irpp.nsw.gov.au under the 'Development Register' section.

The Regional Panel will determine the matter at a public meeting. All submitters will be notified of the meeting date and a notice will be placed in the local papers.
