**DA 1546/2010: Lots 91 and 92, DP 1137298, 650 and 650A Camden Valley Way, Gregory Hills.**

Police have no objections to the new 285 residential blocks at Gregory Hills.

The only concerns are:-

- No laneways between dwellings, and
- Roadways wide enough for Emergency Vehicles eg Fire truck.
- Vegetation along pathway should be stepped back in height to maximise sightlines.
- Keep all vegetation trimmed and well maintained, with clear sightlines under taller trees.
- In relation to parkland abide by DA 429/2010 for Open Spaces Lot 91: DP 1137298 submitted on 19 May 2010.

Yours truly,

Christine Millman
