Rob Rajca (Manager, Design & Construction for the applicant) - addressed the panel in favour of the item.

Michael Cook (Peter Hunt Architect) - addressed the panel in favour of the item

**8. Panel's Decision**

The Panel had decided that it agrees with only two aspects of the application before it tonight, namely –

- 1 - The demolition of the existing aquatic centre, and
- 2 - The erection of the proposed new aquatic centre of three levels and basement parking.

However, the Panel requires the applicant to give further consideration to the access across the heritage listed Hornsby Park and would prefer a roadway that is more sensitive to the heritage significance of the Park and that will retain the CWA Building. The Panel recommends a less engineered solution for this roadway, not involving major works on the Pacific Highway, and considers the road should be designed to have less heritage impact, not to be designed for heavy vehicles, but for the most likely users - namely domestic cars, and to be more respectful to existing plantings.

The Panel accepts the need for the removal of the Pine tree and agrees with the manner in which the applicant intends to deal with a replacement tree.

The decision to defer the application was a unanimous one - voting - 5 - 0.

The meeting concluded at 10.15 pm.
