Notice of Delegation – Western Region Joint Regional Planning Panel

2011WES003 – Wentworth Shire Council - DA11/017 - EXtractive Industry - Sand- (extension of existing operation); Downstream Dareton Sandbar on Crown Reserve and Murray River

Council has advised the Panel Secretariat that it wishes to accept the delegation for the above DA that was referred to the Joint Regional Planning Panel on 2 March 2011.

Choose one of the delegation options below:

- ① The Panel Secretariat advised the Chair that the DA can be delegated back to Council as it is considered a straightforward application. No objections were received and the assessment report recommends approval.
2. The Panel Secretariat advised the Chair that the DA can be delegated back to Council as it is classified as designated development and the capital investment value is \$5 million or less.
3. The Panel Secretariat advised the Chair that the DA can be delegated back to Council as the DA is located in an area or precinct (Name area or precinct here) where detailed planning has occurred. The proposed development is strictly in accordance with identified key planning controls and the assessment report recommends approval.

The Panel Secretariat recommended that the Chair agrees to the delegation of DA 11/017 to Wentworth Shire Council.

Decision

The Chair considered the above development application and has agreed to delegate the determination of DA 11/017 to Wentworth Shire Council.
