Dear Mr Davies,

RE: MARKETPLACE EXPANSION – 329/1112/DA

In accordance with our previous discussions and Council's request we formally withdraw the above Development Application.

We thank Council for its assistance in the matter and look forward to discussing other potential development of our property in the near future.

Much of the requested information is to hand, however following the withdrawal of Big W from the project we can no longer proceed with the current plans at the present time.

Yours Sincerely

Steven Lacey
