

Notice of Public Briefing Meeting Southern Joint Regional Planning Panel

The **Southern Joint Regional Planning Panel** (the regional panel) is holding a public briefing meeting on the following development application that has been referred to the regional panel:

2012STH026 - Greater Hume Shire Council - DA 42-12/13 - Infrastructure Resource Recovery Composting Operation, 92 Pattersons Road, Gerogery

The briefing meeting will be held on **Thursday 7 February 2013** at the Gerogery Hall, Olympic Highway, Gerogery, commencing at **6.00pm**.

The regional panel considers it appropriate to hold a public briefing due to the public interest in the proposed development. The meeting will allow the regional panel to listen to the community and understand their key issues and concerns with the proposal. This will also ensure these issues and concerns are addressed in Council's assessment report.

This is not a meeting to determine the development application.

If you wish to speak at the panel meeting, you **must** register with the Regional Panels Secretariat (secretariat) before **4.00 pm Tuesday 5 February 2013** by contacting the secretariat on (02) 9228 2060 or email ruth.paton@planning.nsw.gov.au

It should be noted that individual speakers will be allocated 3 minutes, and representatives of community groups will be allocated 10 minutes to speak, unless extended time is agreed by the panel.

If you have any questions about the public briefing meeting, please call Ruth Paton, Senior Planning Officer, on (02) 9228 2062 or email ruth.paton@planning.nsw.gov.au
