The original application was deferred by the regional panel at its meeting on 9 August 2012.

On 2 October 2012, the Panel Secretariat circulated the council's supplementary report and minutes of Panel Meeting on 9 August 2012 to the panel members and requested confirmation of the panel member's decision on the application.

Panel members confirmed their decision via email between 2 October 2012 and 15 October 2012.

The panel members and the council assessment officer met and discussed the supplementary report and conditions provided by council on 11 October 2012. The council assessment officer and all panel members agreed that it was not required to hold another public meeting to determine the application and that the matter could be determined via electronic means.

Panel members changed the conditions recommended by the council assessment officer. The conditions attached to the consent are those of the Panel. The conditions recommended by the assessment officer are those attached to supplementary assessment report.

After reviewing the amended conditions, amended plans and the council's supplementary report, all panel members are in favour of approving the development application.
