From: Susan Butler
Date: 14 November 2012
Subject: 1-5 Little St DA12/90
58630/12

The *Eucalyptus scoparia* tree located in the south west corner of the site, which is identified as Tree 2 in Attachment 13 of the DA, was significantly damaged on Friday 7 September 2012 when a large section of the tree collapsed.

Council staff inspected the tree and, as a result of the extent of the decay that was now visible in the tree, the whole tree was removed the following week.

Consequently, Condition 44 is no longer relevant and can be deleted from the Draft Conditions of Consent. Any reference to Tree 2 in Draft Conditions 50 and 60 should also be deleted.
