- D** As a consequence of the matters set out in paragraph C the Developer has offered to dedicate the Designated Land and carry out the Works on the terms of this agreement if the Instrument Change is gazetted and the Development Consent is granted.

OPERATIVE PROVISIONS

1 DEFINITIONS

Unless the context otherwise requires the definitions and interpretational rules contained in **Schedule 2** apply in the interpretation of terms used in this agreement.

2 APPLICATION AND OPERATION OF AGREEMENT

2.1 Planning agreement

The parties agree that this agreement is a planning agreement:

- (1) within the meaning set out in s93F of the Act; and
- (2) governed by Subdivision 2 of Division 6 of Part 4 of the Act.

2.2 Application

This agreement applies to both the Land and the Development.

2.3 Operation

- (1) Subject to paragraph (2) this agreement operates from the date it is executed by both parties.
- (2) The following clauses of this agreement will only operate if and when the Council grants the Development Consent:
 - (a) Clause 3; and
 - (b) Clause 11.

3 PROVISION OF CONTRIBUTIONS

3.1 Designated Land

- (1) The Developer must dedicate and transfer the Designated Land to the Council by the date or time specified for the relevant item in **Schedule 3**.

If the parties are unable to agree on the existence of an event of Force Majeure or the period during which the obligations of the parties are suspended during the continuance of the Force Majeure, that dispute must be referred for determination under clause 14.

13 REVIEW & AMENDMENT

13.1 Review

If either party requests a review of the whole or any part of this agreement then the parties must use their best endeavours, acting in good faith, to review the agreement in accordance with that request.

13.2 Amendment

- (1) in writing signed by both parties; and
- (2) subject to the provisions of the Act.

14 DISPUTE RESOLUTION

14.1 Notice of dispute

If a dispute or lack of certainty between the Parties arises in connection with this agreement or its subject matter (a **dispute**), then either Party (the **First Party**) must give to the other (the **Second Party**) a notice of dispute in writing adequately identifying and providing details of the dispute and designating as its representative a person to negotiate the dispute. The Second Party must, within five (5) Business Days of service of the notice of dispute, provide a notice to the First Party designating as its representative a person to negotiate the Dispute (the representatives designated by the Parties being together, the **Representatives**).

14.2 Conduct pending resolution

The Parties must continue to perform their respective obligations under this agreement if there is a dispute but will not be required to complete the matter the subject of the dispute, unless the appropriate Party indemnifies the other relevant Parties against costs, damages and all losses suffered in completing the disputed matter if the dispute is not resolved in favour of the indemnifying Party.

14.3 Further steps required before proceedings

Subject to clauses 14.14 and 14.15 and except as otherwise expressly provided in this agreement, any dispute between the Parties arising in connection with this deed or its subject matter must, as a condition precedent to the commencement of litigation, mediation under clause 14.5 or determination by an expert under clause 14.6, first be referred to the Representatives. The Representatives must endeavour to resolve the dispute within five (5) Business Days.

14.4 Disputes for mediation or expert determination

If the Representatives have not been able to resolve the dispute, then the Parties must agree within five (5) Business Days to either refer the matter to mediation under clause 14.5 or expert resolution under clause 14.6.

14.5 Disputes for mediation

- (1) If the Parties agree in accordance with clause 14.4 to refer the dispute to mediation, the mediation must be conducted by a mediator agreed by the Parties and, if the Parties cannot agree within five (5) Business Days, then by a mediator appointed by LEADR.
- (2) If the mediation referred to in paragraph (1) has not resulted in settlement of the dispute and has been terminated, the Parties may agree to have the matter determined by expert determination under clause 14.6.

14.6 Choice of expert

- (1) If the Parties agree to have the matter determined by expert determination, this clause 14.6 applies.
- (2) The dispute must be determined by an independent expert in the relevant field:
 - (a) agreed between and appointed jointly by the Parties; or
 - (b) in the absence of agreement within five (5) Business Days after the date that the Parties agree to have the matter determined by expert determination, appointed by the President or other senior officer for the time being of the body administering or expert in the relevant field.
- (3) If the Parties fail to agree as to the relevant field within five (5) Business Days after the Parties agree to have the matter determined by expert determination, either Party may at

any time refer the matter to the President of the New South Wales Bar Association (or the President's nominee) whose decision as to the relevant field is final and binding on the Parties.

- (4) The expert appointed to determine a dispute:
- (a) must have a technical understanding of the issues in dispute;
 - (b) must not have a significantly greater understanding of one Party's business, functions or operations which might allow the other side to construe this greater understanding as a bias; and
 - (c) must inform the Parties before being appointed of the extent of the expert's understanding of each Party's business or operations and, if that information indicates a possible bias, then that expert must not be appointed except with the written approval of the Parties.
- (5) The Parties must promptly enter into an agreement with the expert appointed under this clause 14.6 setting out the terms of the expert's determination and the fees payable to the expert.

14.7 Directions to expert

- (1) In reaching a determination in respect of a dispute under clause 14.6, the independent expert must give effect to the intent of the Parties entering into this deed and the purposes of this deed.
- (2) The expert must:
- (a) act as an expert and not as an arbitrator;
 - (b) proceed in any manner as the expert thinks fit without being bound to observe the rules of natural justice or the rules of evidence;
 - (c) not accept verbal submissions unless both Parties are present;
 - (d) on receipt of a written submission from one Party, ensure that a copy of that submission is given promptly to the other Party;
 - (e) take into consideration all documents, information and other material which the Parties give the expert which the expert in its absolute discretion considers relevant to the determination of the dispute;
 - (f) not be expected or required to obtain or refer to any other documents, information or material (but may do so if the expert so wishes);
 - (g) issue a draft certificate stating the expert's intended determination (together with written reasons), giving each Party ten (10) Business Days to make further submissions;
 - (h) issue a final certificate stating the expert's determination (together with written reasons); and
 - (i) act with expedition with a view to issuing the final certificate as soon as practicable.
- (3) The Parties must comply with all directions given by the expert in relation to the resolution of the dispute and must within the time period specified by the expert, give the expert:
- (a) a short statement of facts;
 - (b) a description of the dispute; and

- (c) any other documents, records or information which the expert requests.

14.8 Expert may commission reports

- (1) Subject to paragraph (2):
 - (a) the expert may commission the expert's own advisers or consultants (including lawyers, accountants, bankers, engineers, surveyors or other technical consultants) to provide information to assist the expert in making a determination; and
 - (b) the Parties must indemnify the expert for the cost of those advisers or consultants in accordance with clause 14.6(5) of this deed.
- (2) The Parties must approve the costs of those advisers or consultants in writing prior to the expert engaging those advisers or consultants.

14.9 Expert may convene meetings

- (1) The expert must hold a meeting with all of the Parties present to discuss the dispute. The meeting must be conducted in a manner which the expert considers appropriate. The meeting may be adjourned to, and resumed at, a later time in the expert's discretion.
- (2) The Parties agree that a meeting under paragraph (1) is not a hearing and is not an arbitration.

14.10 Other courses of action

If:

- (1) the Parties cannot agree in accordance with clause 14.4 to refer the matter to mediation or determination by an expert; or
- (2) the mediation referred to in clause 14.5 has not resulted in settlement of the dispute and has been terminated and the Parties have not agreed to refer the matter to expert determination within five (5) Business Days after termination of the mediation;

then either Party may take whatever course of action it deems appropriate for the purpose of resolving the dispute.

14.11 Confidentiality of information provided in dispute resolution process

- (1) The Parties agree, and must procure that the mediator and the expert agrees as a condition of his or her appointment:
 - (a) subject to paragraph (b), to keep confidential all documents, information and other material disclosed to them during or in relation to the mediation or expert determination;
 - (b) not to disclose any confidential documents, information and other material except:
 - (i) to a Party or adviser or consultant who has signed a confidentiality undertaking; or
 - (ii) if required by Law to do so or State Government policy or local government policy or any listing rule; and
 - (c) not to use confidential documents, information or other material disclosed to them during or in relation to the mediation or expert determination for a purpose other than the mediation or expert determination.

- (2) The Parties must keep confidential and must not disclose or rely upon or make the subject of a subpoena to give evidence or produce documents in any arbitral, judicial or other proceedings:
- (a) views expressed or proposals or suggestions made by a Party or the mediator or the expert during the expert determination or mediation relating to a possible settlement of the dispute;
 - (b) admissions or concessions made by a Party during the mediation or expert determination in relation to the dispute; and
 - (c) information, documents or other material concerning the dispute which are disclosed by a Party during the mediation or expert determination unless such information, documents or facts would be discoverable in judicial or arbitral proceedings.

14.12 Final determination of expert

The Parties agree that the final determination by an expert will be final and binding upon them except in the case of fraud or misfeasance by the expert.

14.13 Costs

If any independent expert does not award costs, each Party must contribute equally to the expert's costs in making the determination.

14.14 Remedies available under the Act

This clause 14 does not operate to limit the availability of any remedies available to Council under sections 123, 124 and 125 of the Act.

14.15 Urgent relief

This clause 14 does not prevent a party from seeking urgent injunctive or declaratory relief.

15 DEFAULT IN PERFORMANCE

15.1 Events of default

The Developer commits an "Event of Default" if:

- (1) it breaches an essential term of this agreement; or
- (2) it breaches a non-essential term of this agreement and fails to rectify that breach within a reasonable time (which must not be less than ten (10) business days) of being requested to do so by the Council.

15.2 Consequences of Events of default

Where the Developer commits an Event of Default the Council may terminate this agreement by notice in writing to the Developer.

15.3 No restriction on rights

The rights vested in the Council pursuant to clause 15.2 do not prevent the Council from exercising any other rights that it may possess at law.
