30 August 2012

Dear Sir/Madam,

Integrated Development for 25//270551 8a Darling Crescent Harrington Park 2567

I refer to the email supplied by the applicant dated 10 September 2012 seeking general terms of approval for the above Integrated Development in accordance with Section 91 of the *Environmental Planning and Assessment Act 1979*.

The Service is still not in a position to properly assess the application as submitted by Camden Council on the basis of the information provided. The following will need to be provided for further assessment:

1. A Bush Fire Assessment Report of the extent to which the proposed development conforms with or deviates from the specifications set out in *Planning for Bush Fire Protection 2006* is to be provided. In particular how Lots 67 to 70 can meet 29kW/m^2 in regards to construction and how these Lots can achieve an asset protection zone of 10 metres.

From receipt of the required information the Service will respond with its recommendations within 21 days.

If additional information is not received within 100 days the application will be refused on the basis of Requested Information not provided. A formal request for re-assessment would be required after this time.

For any queries regarding this correspondence please contact Matthew Apps on 1300 NSW RFS.
