Dear Sir/Madam,

**Withdrawal of Designated and Integrated Development Application
Use of Existing Building for Waste Management Facility (Glass Recovery)
Lot 1 DP 747153, 126 Andrews Road PENRITH NSW 2750**

I refer to Council's recent letter dated 03 July seeking determination for designated and an integrated development for proposed glass recovery service at the above address.

An withdrawal request has been received from the applicant advising that the application was found to be 'state significant development' under Schedule 1, Clause 23(2) of the *State Environmental Planning Policy (State and Regional Development) 2011* as follows:

"Development for the purpose of waste or resource transfer stations in metropolitan areas of the Sydney region that handle more than 100,000 tonnes per year of waste".

Accordingly, this application will be required to be submitted to Department of Planning and Infrastructure.

As a result, the Sydney West Region Joint Planning Panel (JRPP) is no longer required to determine this development application.

Should you have any further queries, please contact me on 02 4732 7577.

Yours faithfully

Peter Wood
Development Assessment Coordinator
