### Important Notice!

This map is not a precise survey document. Accurate locations can only be determined by a survey on the ground. Bathurst Regional Council expressly disclaims all liability for errors or omissions of any kind whatsoever, or any loss, damage or other consequence which may arise from any person relying on information comprised in this Plan.

Note: The colours on this Plan do not indicate zones under the Bathurst Regional (Interim) Local Environmental Plan 2005.

### Important

This map was produced on the GEOCENTRIC DATUM OF AUSTRALIA 1994 (GDA94), which has superseded the Australian Geodetic Datum of 1984 (AGD66/84). Heights are referenced to the Australia Height Datum (AHD) heights. For most practical purposes GDA94 coordinates and satellite derived (GPS) coordinates based on the World Geodetic Datum 1984 (WGS84) are the same.

True North, Grid North and Magnetic North are shown diagrammatically for the centre of the Bathurst Regional Local Government Area. Magnetic North is correct for 2001 moving easterly by 0.04° in about five years.
