Dear Mr Hickey

Subject: Environmental Impact Statement for Lot 32 DP 1151612, Newrybar Swamp Road, Tintenbar (DA 2013/162)

Thank you for forwarding the above Environmental Impact Statement (EIS) to the department's Northern Region branch for exhibition and comment.

From a preliminary review of the EIS it would appear that the Director General's Requirements (Reference No. 520) of 15 November 2012 have been considered. However, Council is urged to review each of the key issues listed under DGR 520 to ensure they have been adequately addressed in the EIS.

Yours sincerely

Jim Clark
Team Leader, Local Planning
