The Southern Joint Regional Planning Panel (regional panel) considered the following development application via email and this is a record of the process and decision.

Business Item

2013STH001 – Albury City Council – DA 10.2013.32101.1 – Albury Wodonga Regional Integrated Cancer Centre – 201 Borella Road, East Albury

On 5 November 2013, the Regional Panels Secretariat (secretariat) circulated a memorandum to all regional panel members requesting the regional panel to reconvene in order to determine the matter. It was noted that Terri O'Brien and Daryl Betteridge were no longer panel members.

As there were no submissions received on the DA, the regional panel was able to determine this DA by electronic means. The applicant and council had no objection to the DA being considered electronically. Panel members previously undertook a site inspection and held briefings with council staff during the process for determination.

On 11 November 2013, the secretariat circulated the memorandum, the recommended conditions of consent as described in the memorandum, agreed to by council and the crown applicant and the minutes from the regional panel meeting held in Albury on 23 August 2013.

Henk van de Ven moved a motion that the DA be approved as per the recommended conditions of consent as agreed by the crown applicant. This was seconded by Allen Grimwood. The motion read as follows:

Moved:

That item 2013STH001 – DA 10.2013.32101.1: Albury Wodonga Regional Integrated Cancer Centre at 201 Borella Road, East Albury be approved subject to the recommended conditions of consent attached to the Memorandum received 5 November 2013.

Moved: Henk van de Ven

Seconded: Allen Grimwood

The regional panel members voted unanimously in favour of this motion via email between 11 November 2013 and 12 November 2013 after citing correspondence that confirmed council and the crown applicant were agreeable to the recommended conditions of consent.
