The Southern Joint Regional Planning Panel (regional panel) considered the following development application via email and this is a record of the process and decision.

Business Item

2013STH005 – Wagga Wagga City Council – DA13/0203 – Two Storey Office Building – 286 Pine Gully Road, Charles Sturt University

As there were no submissions received on the DA, the regional panel was able to determine this DA by electronic means. The applicant had no objection to the DA being considered electronically.

On 12 June 2013, the Regional Panels Secretariat (secretariat) circulated council's assessment report (including draft conditions of consent) which recommended approval of the DA, to the regional panel members.

On 13 June 2013, Mayor Rod Kendall moved the recommendation in council's assessment report to grant development approval as per the draft conditions of consent. On 18 June 2013, this motion was seconded by Terri O'Brien. The motion reads as follows:

Moved:

That development approval is granted to DA13/0203 for the construction of a new two storey office building at 286 Pine Gully Road, Charles Sturt University, subject to the conditions set out in the assessment report prepared for the regional panel by council.

Moved: Rod Kendall

Seconded: Terri O'Brien

The regional panel members voted unanimously in favour of this motion via email between 12 June and 18 June 2013.
