On Friday 21 February 2014, the Panels Secretariat received the final assessment report from Queanbeyan City Council for DA 178-2013 (2013STH024). As there were no submissions received by council for this matter, the panel chose to consider the application electronically.

On Friday 28 February, Allen Grimwood proposed the following resolution to the panel members:

“That the panel support the recommendation within the council assessment report to approve DA 178-2013 subject to an amendment to condition 37 to replace the reference to the NSW Department of Environment, Conservation and Climate Change with NSW Environment Protection Authority.”

On Friday 28 February 2014, Allen Grimwood moved the motion and Sue Whelan seconded the motion. Pam Allan, Penny Day and Alison McCabe all voted in favour of the motion by Monday 3 March 2014.
