Dear Sir/Madam

Re: N0195/13 - 12 Jacksons Road Warriewood - Alterations and additions to the existing shopping centre.

It has come to Council's attention that a number of conditions relating to flooding and climate change were inadvertently omitted from the Draft Conditions of Consent in the report sent to the JRPP.

Please find attached a complete copy of Council's Draft Conditions of Consent, including the omitted conditions, which are labelled B 54 - 58.

Yours sincerely

Gina Hay
EXECUTIVE PLANNING OFFICER (DEVELOPMENT)
