On 14 January 2014, the Regional Panel Secretariat circulated the Council's assessment report, to panel members and requested confirmation of the panel member's decision on the application.

Panel members confirmed their decision via email between 14 January 2014 and 16 January 2014.

The panel are able to determine this application electronically as no objections were received for this application.

Meredith Wallace and Karin Hartog would like it recorded that they expressed extreme disappointment at the deletion of the hydro therapy pool as it would have greatly enhanced the health and amenity of future residents of the Aged Care Facility.

All Panel members are in favour of the recommendation in the Council's assessment report to approve the application.
