**Apologies:** None

The Sydney West Joint Regional Planning Panel considered the following application via electronic means and this is the record of the process and decision.

**Business Item**

2013SYW006 – Camden - DA 1189/2012; 392 lot Torrens title residential subdivision;  
A Plymouth Boulevard, Spring Farm

This matter was considered appropriate for electronic determination as there were no submissions made by members of the public, the report recommended approval of the Development Application, and both council and the applicant agreed to electronic determination.

On 18 March 2014, the Regional Panels Secretariat circulated the Council's assessment report and recommended conditions of consent to the panel for consideration.

Panel members confirmed their decision via emails between 18 and 24 March 2014. The panel was unanimously in favour of the recommendation in Council's assessment report.

**Decision**

The panel accepts the recommendation of the assessment report and approves the above development application, for the reasons given in the report and subject to the conditions of consent published with the Council Assessment Report.
