- Medium Impact (Aquifers, Dams, Wetlands, Forest, Wetlands)
- Public Openings

A photograph of a residential street. In the foreground, a large, mature tree with a thick trunk stands on the left side of a paved sidewalk. To the left of the tree is a modern, two-story house with a light-colored, textured facade and large windows. To the right of the tree, a paved driveway leads to a smaller, dark-colored house with a gabled roof. A silver car is parked in the driveway. The background shows more trees and a clear sky.

A photograph of a residential property. In the background, a two-story house with a brown roof and light-colored siding is visible. The house is surrounded by lush green trees and shrubs. In the middle ground, a paved driveway leads to a parking area where several cars are parked. A large, tall, thin evergreen tree stands prominently on the right side of the driveway. The foreground shows a grassy lawn and a concrete sidewalk leading towards the driveway.

A photograph showing a white hatchback car parked on a street or driveway. In the background, a house with a grey roof and red siding is partially hidden by dense green trees and bushes. A yellow street sign is visible on a pole near the car.

A white car is driving on a paved road that curves to the right. In the background, there is a large house with a brown roof and white walls, surrounded by lush green trees. The scene is captured from a low angle, showing the car's rear and the road ahead.

4 Trebor Road
