

This architectural section drawing illustrates a multi-story building, likely a residential or institutional structure, with a maximum height of 17.5m. The drawing is oriented with Fisher Avenue to the left. The building is divided into two main sections, Block A and Block B, which are separated by a central vertical axis. Block A is a four-story structure with a central core and two wings. Block B is a taller, six-story structure with a similar layout. The drawing shows the internal layout, including rooms, corridors, and structural elements like walls, floors, and columns. Detailed annotations are provided for various components, such as walls, floors, and structural elements. The drawing is a technical representation of a building's internal structure and layout.
