Business Item - 2013SYW037 - Blacktown - JRPP-13-369, The Ponds High School and Public School, Hambledon Road, The Ponds

At the meeting on 24 October 2013, Panel deferred determining the application and directed the Council to meet with the applicant and Urban Growth to resolve the outstanding Council concerns about the traffic safety and management. The Panel required a supplementary report addressing the traffic impacts and final set of conditions.

On 18 November 2013, the Panel Secretariat circulated the Council's supplementary report and revised conditions to panel members and requested confirmation of the panel member's decision on the application.

Panel members confirmed their decision via email between 18 November 2013 and 22 November 2013.

As no submissions were received for the application and the report was recommended for approval by Council's assessment officer, the panel can determine this matter electronically.

The Panel approves the application for the reasons given in the Council Town Planning report subject to the revised conditions attached to the report.
