SUBMISSION FROM ORANGE CITY COUNCIL**

Reference is made to the abovementioned development application.

The Panel is advised that, at the Council meeting of 17 September 2013, Council resolved to raise the issue of heavy vehicle haulage effects on residences, particularly associated with material haulage from local quarries.

Council requested the panel pay particular attention to this aspect of the proposal.

Relevantly, it is noted that condition 13 of the notice seeks to address this issue through limiting the times deliveries can be made at the site.

Should you wish to discuss this further, please do not hesitate to contact me on 6393 8261.

Yours faithfully
