The report for DA-2014/503 incorrectly describes the recommendation in the 'Executive Summary' on Page 2 as:

It is recommended that deferred commencement approval be granted to DA-2014/503 subject to the draft conditions at attachment 4.

This has been incorrectly stated as a deferred commencement and is recommended that conditional approval be granted, and therefore should read as follows:

It is recommended that **conditional approval** be granted to DA-2014/503 subject to the draft conditions at attachment 4.

The draft conditions are correct.

Nowhere else in the report mentions 'deferred commencement'.
