Determination and Statement of Reasons

2014SYW124 – Parramatta, DA/391/2012/B, Section 96(2) modification to an approved staged development application for the construction of a mixed use development containing approximately 770 apartments, 2 Morton Street, Parramatta. The modification seeks approval to alter stage 1 works including –

1. Changes to proposed landscaping;
2. Modification to the roof;
3. Changes to the internal layout; and
4. Changes to the external façade.

Date of determination: 4 December 2014

Decision:

The panel determined to approve the development application as described in Schedule 1 pursuant to section 80 of the *Environmental Planning and Assessment Act 1979*.

Panel consideration:

The panel considered: the matters listed at item 6, the material listed at item 7 and the material presented at meetings and the matters observed at site inspections listed at item 8 in Schedule 1.

Reasons for the panel decision:

1. The proposed development as modified is considered to be substantially the same as that previously approved.
2. The proposed amendments will improve the appearance of the façade in public view and improve access to the development.
3. The proposed amendments will not adversely affect the natural or built environments.
4. No submissions were received on the proposal;
5. In consideration of the conclusions reached in 1 -5 above the Panel considers approval is in the public interest.

Conditions: The development application was approved subject to the conditions in the Council Assessment Report.
