Dear Panel Members

**Re: 1 Balls Head Road, Waverton
DA 260/15 – Berrys Bay Marina**

At the North Sydney Council Meeting held on 18 April 2016, Council unanimously resolved to strongly urge the JRPP to refuse the application for the reasons set out in the assessment report and the following additional reasons of great concern to Council:

- a) The devastating visual impact of the proposed works on the Dolphin Wharf which should be deleted from the proposal.*
- b) The failure to dedicate the proposed public open space including the marina playground to the Waverton Peninsula parkland trust to ensure the maintenance and protection of public open space and foreshore access in perpetuity.*
- c) The excessive scale of the proposed works on the water which extend well beyond the dimensions of the occupation of the bay by the existing swing moorings.*

Please accept this letter as North Sydney Council's formal objection to DA260/15.

Yours sincerely
