DISCLAIMER FOR DOCUMENTS IN ELECTRONIC FORMAT																			
1. NSW Public Works of the NSW Department of Finance & Services (the Department) shall not be liable or responsible for any loss or damage arising out of the conversion of any electronic document (including drawing), data or program to any other format or medium, or arising out of any modification or changes that occur in the handling or use of the electronic document, data or program.																			
2. The recipient or user of any electronic document (including drawing), data or program is solely responsible for ascertaining its accuracy and its suitability for their purpose.																			
3. The recipient or user of any electronic drawings that are converted from their source application is solely responsible for ascertaining their accuracy and suitability for their purpose. Line styles, fonts, dimensioning, patterning, tones and other graphics may differ from the original version.																			
4. Where tender documents incorporate electronic drawings which are subsequently converted at the request of a tenderer or contractor to another format, such converted drawings do not form part of the tender or contract.																			
5. The Department uses virus scanning software to prevent file and system virus attacks but gives no warranty. The recipient or user is solely responsible for their own virus protection.
