

Relevant JOINT REGIONAL PLANNING PANEL

Meeting held at Auburn City Council on 21 October 2015 at 1.30 pm

Panel Members: Mary-Lynne Taylor (Chair), Bruce McDonald, Stuart McDonald, Cr Hicham Zraika

Apologies: Cr Ned Attie

Declarations of Interest: Stuart McDonald advised Urban Growth is a client of his firm (SJB Planning) however the firm has not undertaken any work on this application

Determination and Statement of Reasons

2015SYW160 – AUBURN – DA-273/2015 [Pt Lot 2 Burroway Road Wentworth Point] as described in Schedule 1.

Date of determination: 21 October 2015

Decision:

The panel determined to defer consideration of the development application as described in Schedule 1.

Panel consideration:

The panel considered: the matters listed at item 6, the material listed at item 7 and the material presented at meetings and the matters observed at site inspections listed at item 8 in Schedule 1.

Reasons for the panel decision:

The Panel unanimously determined to defer consideration of the application. The Applicant submitted to the Panel during the meeting a comprehensive report with amended conditions, commenting on the Council's report to the Panel. The correct procedure is for the Applicant's submission to be made through the Council for assessment and comment prior to acceptance of a late submission, and as the report was relevant to the decision to be made, deferral was necessary.

The Council proposed that it bring the subsequent infrastructure development application lodged by the Applicant in February 2015 to be considered by the Panel as soon as possible. As the matter needed to be deferred, the Council proposed to convene a meeting, as soon as practical to review all outstanding development applications from Urban Growth in relation to finalisation of the Wentworth Point site.

The Panel requested that the applicant and the Council give consideration to meeting together prior to the next Panel meeting to see if common ground could be found to finalise these matters.
