Matter under discussion:

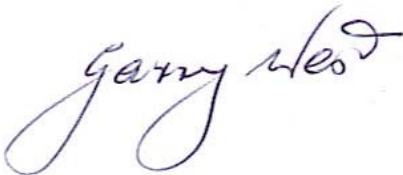

2016NTH005 Lismore DA 5.1992.523.4: s96 modification to extend Santin Quarry at 72 River Bank Road, Monaltrie

Panel decision:

The Panel considered legal advice supplied by Lismore City Council (the Council) and legal advice supplied by the Legal Division, Department of Planning and Environment (the Department).

The Panel were persuaded by the legal advice from the Legal Division of the Department that because the Council was the consent authority of the original application, s96(2) remains the power delegated by the *Environmental Planning and Assessment Act 1979* and therefore the application must be returned to the Council as the original consent authority.
