SITE CONTEXT

Nearmap Site Context within Western Sydney

Nearmap Plan of the Site, Luddenham, NSW

INTRODUCTION

EXISTING ENVIRONMENT

For the purpose of this Development Application the site has been divided up into 2 distinct landscape character zones or precincts. These precincts consists of the hotel and the club house. Each of these precincts corresponds with the different types of development and usage proposed on the site. Several areas in both precincts directly interface with the golf course and have been identified as being important within the current landscape character landscape of the site, and as such, are also identified within these precincts and will be drawn upon to strengthen the design intent where appropriate.

LANDSCAPE PRECINCTS

1. HOTEL

When viewing the hotel from Twin Creeks Drive there are two garden spaces located to the south of the basement car park egress ramp. Located within the south east corner of the hotel is the hotel's spa treatment area. The external spa garden is for guest use and consists of two plunge pools, seating pods and a natural stone cascade water feature. The spa garden is contained behind a stone clad wall that provides acoustic relief from Twin Creeks Drive. A combination of small trees and bamboo is used to provide both visual and solar relief. To the north of the spa garden is a garden break out space for the gymnasium patrons. The garden contains a combination of turf areas, a sunning deck and mounded planter beds. A palisade fence along with hedge planting and trees are proposed to provide solar relief to the users as well as visual interest to the hotel from Twin Creeks Drive.

In association with the swimming pool and the proposed Kids Club, is the inclusion of the proposed splash pad play area. This wet play area will consist of a series of water jets and pop jets for active and inclusive play. The splash pad area can be used by both supervised children from the Kids Club and by unsupervised children who also access the pool facilities.

Roof Terraces – As the hotel rises from level four, the end floor plates also start to recede exposing a series of large external terraces for the use of the end suites. The terraces area generous and thus allows for the inclusion of a series of raised planters. The planters are used to delineate the private spaces, partially screen plant rooms and provide the potential for a cascading green edge to the western facing terraces.

2. CLUB HOUSE / PRO SHOP

Club House Terraces – The western racing or golf course side of the club house is defined by a series of tiered terraces utilised for outdoor dining and socialising. The terraces are framed by colourful planting beds using a mix of exotic and native species. As a large electronic score board is proposed to be located in the golf course to the north west trees are not proposed in the north west corner of the club house. A simple lawn area is proposed to the west of the terraces as a special event area to display sponsor vehicles or products.

Pro Shop – The Pro shop and golf course practice green is located to the north of the club house. The primary function of this area is to provide a coordinated 72 cart staging area for tournaments and event golf days. The cart path links the 1st tee and the 18th green with the pro shop and golf cart storage areas. The golf cart staging bays a proposed to be a permeable pavement to allow for water ingress and provide a softer interface with the golf course. An outdoor kitchen is proposed as an extension to the pro shop for catering to special event days. Two raised water features are proposed within key locations in order to provide visual interests and as a point of difference to most golf courses in the Sydney area. The pro shop and golf cart staging area is defined by a sequence of on grade planting beds that contain a mix of native grasses and flowering plants to provide a seamless transition between the existing golf course character plantings and the proposed more exotic species of the development.

Entry and drop off areas – The club house entry is predominately designed as a pedestrian scaled forecourt or plaza. Dominated by three distinct drop off zones, pedestrian circulation and way finding is a key design driver. The club and bus drop off zones provide clear and direct access into the internal facilities and externally to the pro shop and cart staging area. The drop of zone for the function hall is benefited by the inclusion of a small forecourt that also connects to the hotel. Three trees outside the large building awning will stand as sentinels at the front of the club house. Planted islands also help to define the drop off bays while adding some more visual amenity to the club house frontage.

3. CLUB HOUSE CAR PARK

The existing rectilinear car park arrangement has been completely redesigned to provide the club house with a more grand and organic appearance from the street. The band of concentric circles and subtle level changes leading up to the club house provides the opportunity for the car park to be more than just a functional space. The drop off bay located on Twin Creeks Drive provides a grand entry experience. The view from the street will include a large cascade water feature supported by a back drop of low stone clad retaining walls and formal gardens containing low clipped hedge plantings. The stairs leading up to the on grade car parking bays are framed with landmarks trees such as *Agathis robusta* which are brought through from the existing club house planting scheme. The eastern car parking bays are covers with a trellis structure covered with wisteria or other climbers providing strength to the formal nature of the water feature entry experience. Either side of the formal entry is several rows of both evergreen and deciduous specimen trees providing strong entry markers to the development. The main vehicle circulation path to the club house is supported by low retaining walls that form a radial planter suitable for small deciduous trees for accent colour and solar access in winter. The stone cladding to the car parks external walls will chosen to match the stone proposed for external use on the hotel blade walls.

LANDSCAPE MASTER PLAN

LEGEND

- 1 Proposed Kids Club building & children's playground
- 2 Drainage easement and proposed vegetation screening to adjacent residential properties
- 3 Proposed mounded mass planting to provide ground plane level change and visual interest
- 4 Proposed hotel swimming pool beach area and lounges
- 5 Splash pad & water jet play area
- 6 Proposed raised water feature with mounding to rear at path intersections
- 7 Proposed swimming pool with varying depths between 1.2m and 1.8m and semi tropical planting to edge gardens
- 8 Circular pool deck for outdoor dining area
- 9 Restaurant kiosk / bar
- 10 Proposed covered outdoor dining area
- 11 Proposed resort spa external treatment area & plunge pools
- 12 Proposed hotel gymnasium front garden & path
- 13 Proposed main hotel entrance/ pickup and drop off with water feature & hotel signage
- 14 Proposed ceremony or wedding lawn area
- 15 Proposed trees within garden with accent colour species
- 16 Proposed display lawn area for special event days
- 17 Proposed club house outdoor dining terraces
- 18 Proposed raised water feature with cascade and central planter
- 19 Proposed pro shop entrance and outdoor kitchen area
- 20 Golf cart path down to level 1 basement and pro shop
- 21 Golf cart path and cart staging area
- 22 Club house bus pickup/ drop off area
- 23 Club house function center pickup/ drop off area
- 24 Pro shop and golf pickup/ drop off area
- 25 Proposed on grade car parking areas
- 26 Proposed over flow bus pickup/ drop off area. Main street entry statement with cascade and water jet water feature
- 27 Proposed basement car park entry / exit (Truck Only)
- 28 Proposed basement car park entry/ exit
- 29 Proposed native mix planting interface with the existing golf course
- 30 Retain existing planting to median strip. Make good where necessary.
- 31 Proposed new median island with low level planting.

PRECINCT PLAN: HOTEL, POOL & KIDS CLUB

LEGEND

- 1 Possible access point to Community Facilities
- 2a Proposed 2-5 yrs old children's playground with swing, slide, trampoline & climbing element over rubber soft fall
- 2b Proposed 5-12 yrs old children's playground with swing, trampoline & large climbing structure over rubber soft fall
- 2c Flying Fox play equipment over pine bark mulch soft fall
- 2d Children's splash pad water play area with pop up jets - (accessible to general hotel guests)
- 3 Coloured concrete pedestrian & cycle path for children's trikes
- 4 Drainage easement, playground acoustic fence and proposed screen planting along the residential property boundary
- 5 Drainage easement, maintenance access path and proposed screen planting along the residential property boundary
- 6 Proposed mounded mass planting area with large & small trees
- 7 Proposed specimen tree
- 8 Proposed poolside daybed areas
- 9 Proposed pool beach area
- 10 Proposed garden day bed area
- 11 Proposed ceremonial / wedding lawn with formal stone steps, walls and balustrade
- 12 Proposed water feature at access path to golf course and club house
- 13 Proposed steps into the swimming pool
- 14 Proposed access / egress to Kids Club building & Playground area
- 15 Proposed pool side daybed areas in turf
- 16 Circular deck outdoor dining area overlooking the pool
- 17 Proposed bamboo plantings to screen pool from banquet hall
- 18 Proposed raised planters to outdoor dining area with shade tolerant species under canopy
- 19 Proposed covered outdoor dining area
- 20 Proposed external spa area with natural rock cascade water feature
- 21 Proposed external spa area with outdoor seating pods and plunge pools
- 22 Proposed hotel gymnasium front garden & path
- 23 Proposed native mix mass planting to golf course interface
- 24 Proposed formal stone clad walls, stairs and balustrade to the wedding lawn area
- 25 Proposed wedding lawn area
- 26 Proposed wedding lawn area pergola structure with climbers
- 27 Proposed club house entry plaza with granite paver's & function center entrance
- 28 Proposed club house entrance and pickup/ drop off area
- 29 Proposed hotel entrance and pickup/ drop off area with over head canopy, water feature and hotel signage wall
- 30 Proposed on grade parking area
- 31 Screening hedges to playground/water play area

PRECINCT PLAN: CLUB HOUSE & CAR PARK

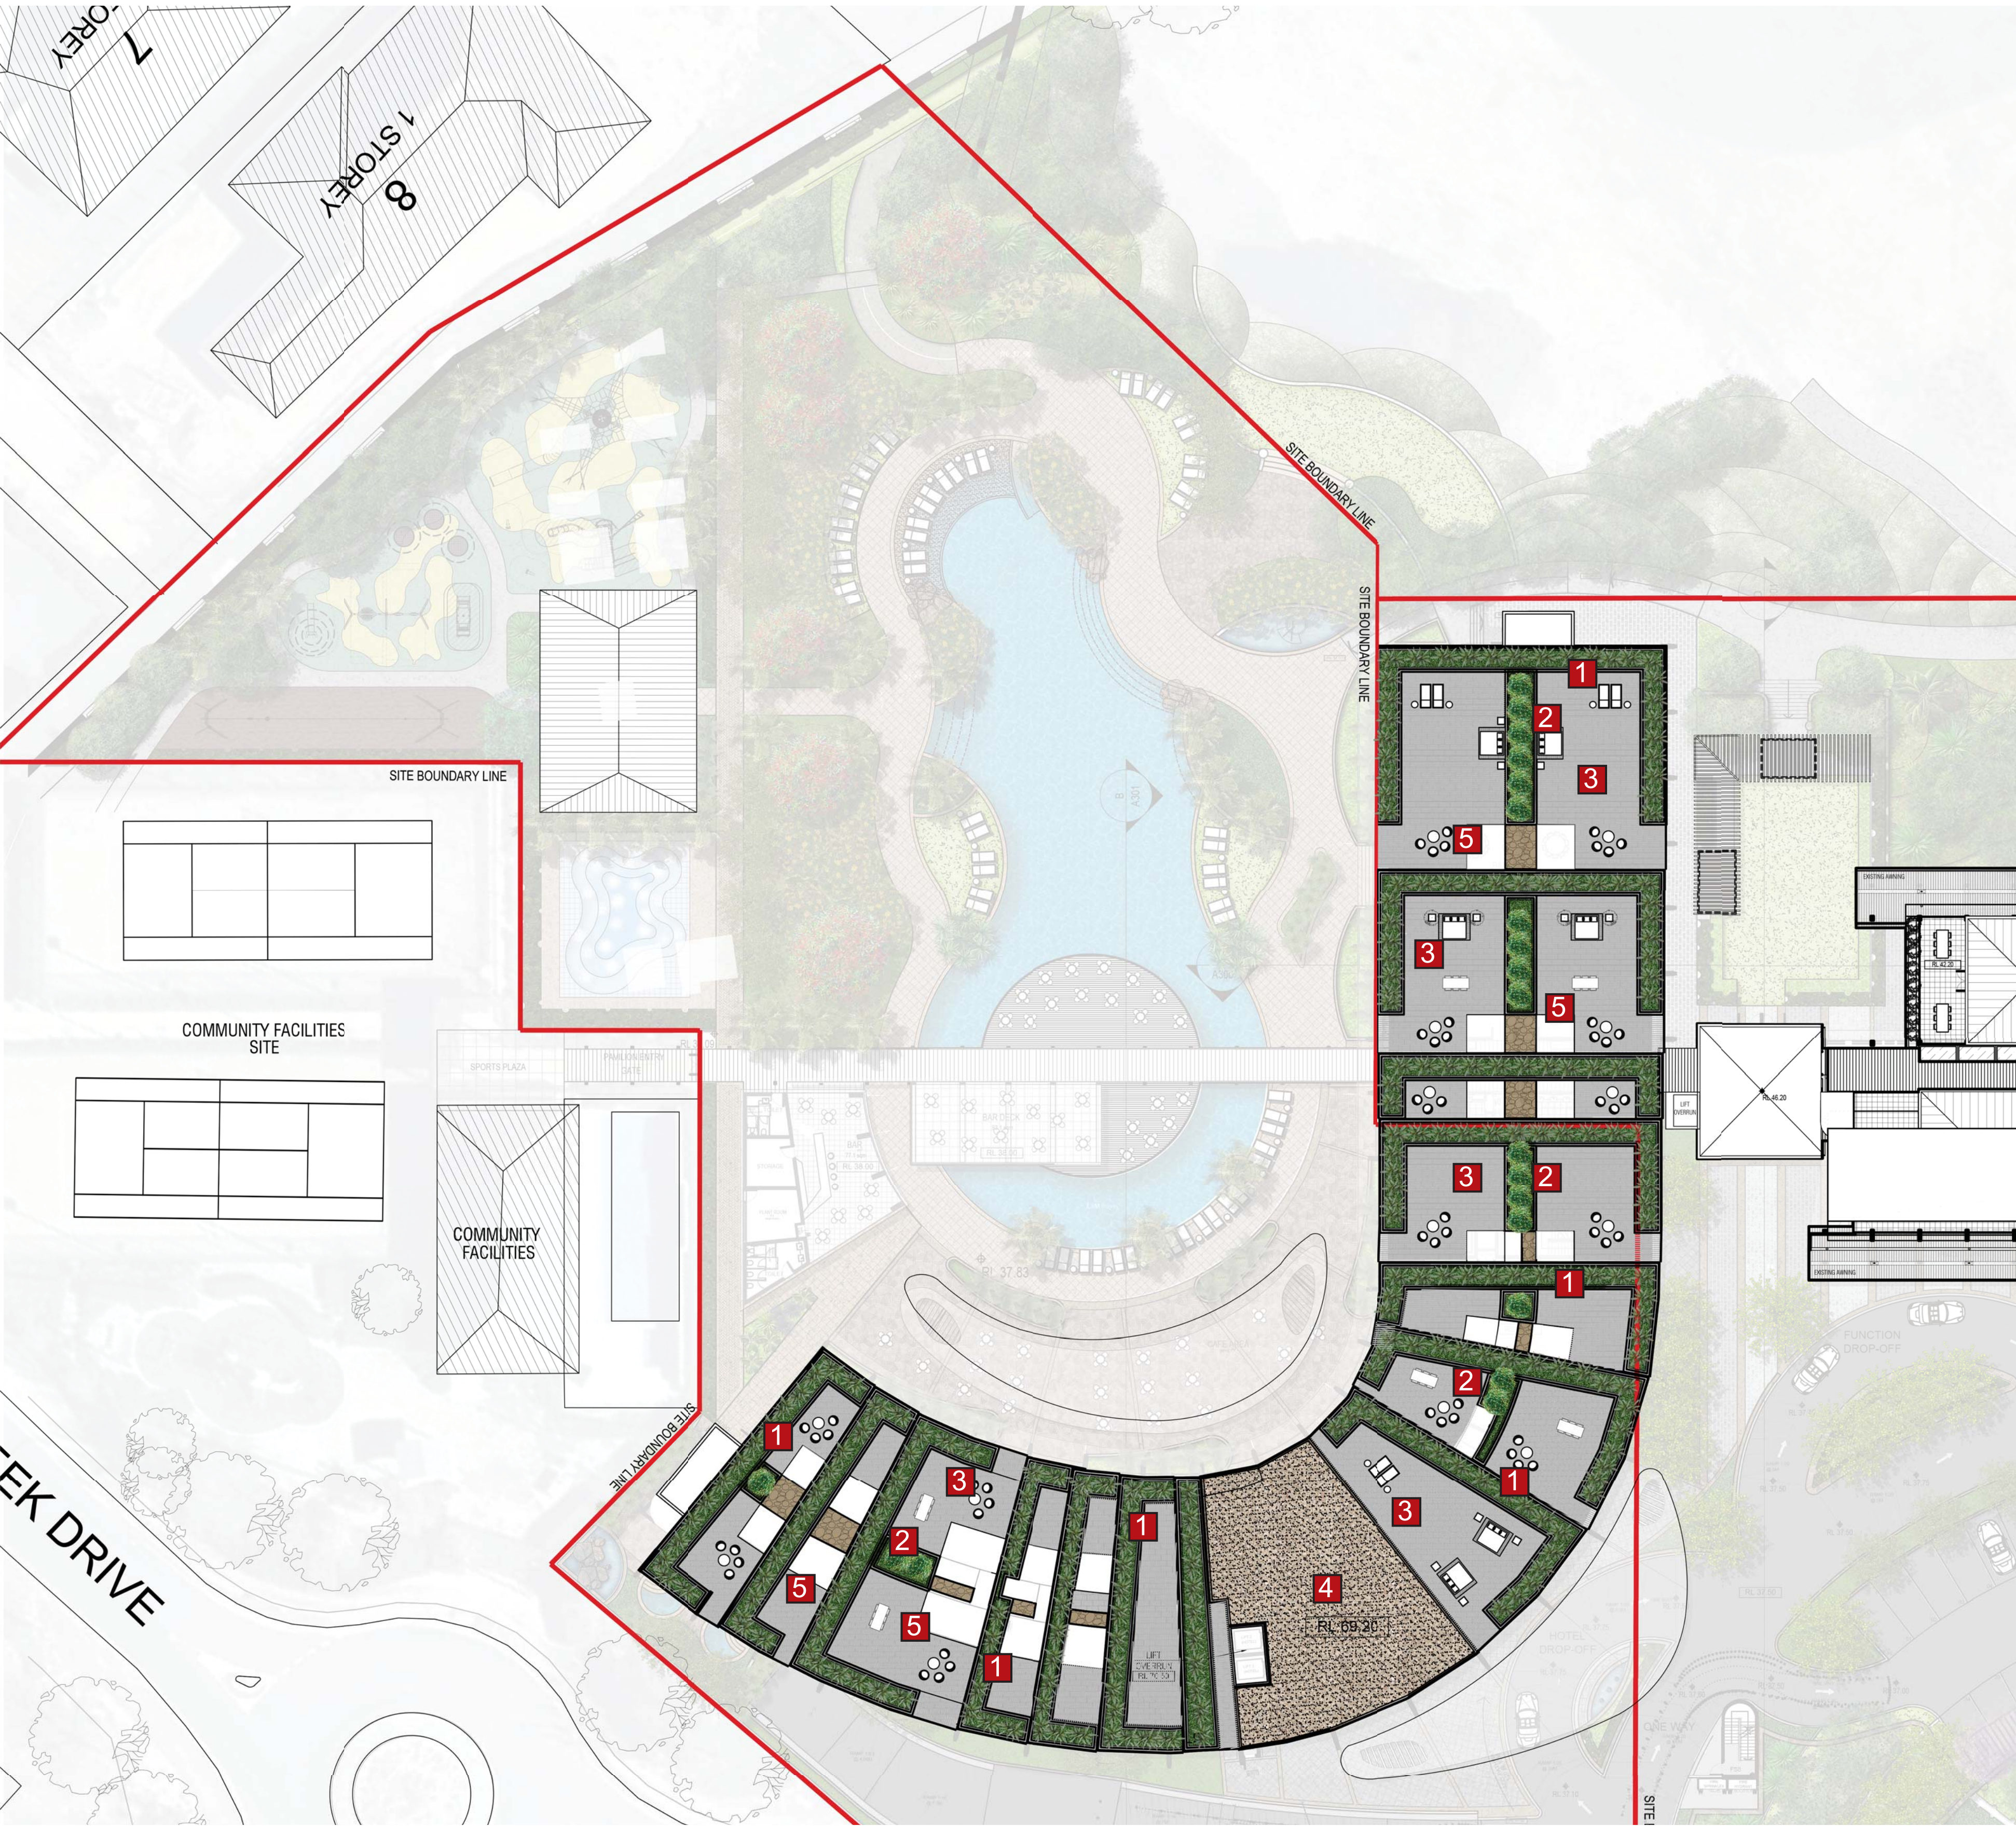

LEGEND

- 1 Proposed formal stone clad walls, stairs and balustrade to the wedding lawn area
- 2 Proposed wedding lawn area
- 3 Proposed formal planting area with colour accent plants and hedges
- 4 Proposed upper outdoor lounge and dining area
- 5 Proposed lower outdoor lounge and dining area
- 6 Proposed display lawn area for special event days
- 7 Existing club house outdoor terrace
- 8 Proposed native mix planting interface with the existing golf course
- 9 Proposed pro shop function lawn area linked with outdoor kitchen
- 10 Proposed raised water feature with cascade and central planter
- 11 Proposed pro shop outdoor kitchen area with weatherproof pergola structure
- 12 Proposed club house / function center pick up / drop off area
- 13 Proposed club house private bus pick up / drop off area
- 14 Proposed golf cart entrance / egress from basement parking
- 15 Proposed smaller pro shop area entry water feature
- 16 Proposed pro shop & golf course drop off area
- 17 Proposed on grade parking area
- 18 Main entrance formal hedge planting with landmark trees and large cascade water feature
- 19 Proposed public bus drop off and pick up bay
- 20 Proposed basement car parking entry & egress
- 21 Proposed line of deciduous specimen trees
- 22 Proposed line of evergreen trees
- 23 Proposed car park pergola structure with wisteria vine growing over
- 24 Proposed golf cart entrances to golf course
- 25 Golf cart path and cart staging area
- 26 Landmark trees to frame entry path
- 27 Row of small deciduous trees within stone clad retaining walls to frame car park
- 28 Row of evergreen trees to basement entry

(Japanese Blood Grass)

Juniperus conferta
'Pacific Blue'
(Shore juniper)

Lavandula angustifolia
'Munstead'
(Munstead Lavender)

Trachelospermum
jasminoides
(Star Jasmine)

Westringia fruticosa
'Mundi'
(Coastal Rosemary)

Viola Hederacea
(Native Violet)

GRASSES & GRROUND COVERS - NATIVE INTERFACE

Dianella 'Silver
Streak'
(Paroo Lily)

Dianella tasmanica
'Tas Red'
(Paroo Lily)

Grevillea "Misty Pink"
(Grevillea)

Grevillea scarlet
sprite
(Grevillea)

Hardenbergia violacea
'Meema'
(Native Sarsparilla)

Imperata cylindrica
'Rubra'
(Japanese Blood Grass)

Juniperus conferta
'Pacific Blue'
(Shore juniper)

Lomandra 'Tanika'
(Mat Rush)

Myoporum
parvifolium
(Creeping Boobiala)

Pennisetum
alopecuroides 'Nafray'
(Swamp Foxtail Grass)

Poa labillardieri
'Eskdale'
(Tussock Grass)

	Pyrostegia venusta	Flame Vine	3.0m	3/m²	150mm
	Scaevola aemula	Fairy Fan-flower	0.4m	4/m²	150mm
	Senecio cineraria	Dusty Miller	0.6m	4/m²	150mm
	Senecio cv.	Blue Chalk Sticks	0.2m	4/m²	150mm
	Trachelospermum jasminoides	Star Jasmine	0.6m	5/m²	150mm
	Vitis vinifera	Ornamental Grape	3.0m	3/m²	150mm

TREES - DECIDUOUS

Acer palmatum
(Japanese Maple)

Acer palmatum
'Bloodgood'
(Red Ash)

Lagerstroemia indica
'Lipan'
(Crepe Myrtle)

Lagerstroemia indica
'Souix'
(Crepe Myrtle)

Prunus incisa
'Kojo-no-mai'
(Dwarf Cherry)

Magnolia
'Teddy Bear'
(Magnolia)

Olea europaea
'Tolleys Upright'
(Olive)

Syzygium australe
'Select'
(Lilly Pilly Select)

Syzygium australe
'Winter Lights'
(Syzygium Winter Lights)

SHRUBS & HEDGES

Acacia baileyana
Prostrate
(Cootlamuyndra
Wattle)

Acacia pravissima
prostrate
(Kuranga
Cascade)

Acmena smithii
'Allyn Magic'
(Dwarf Lilly Pilly)

Agave attenuata
(Agave)

Alternanthera dentata
(Ruby Leaf Alternanthera)

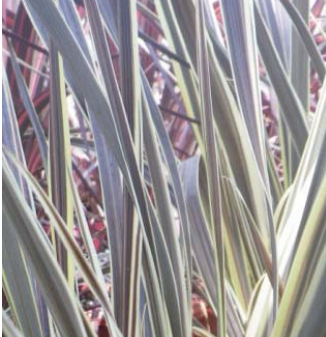

Alygone huegelii
(Lilac Hibiscus)

Callistemon
viminalis 'Better John'
(Drawf Bottlebrush)

Carissa grandiflora
(Natala Compacta)

Cordylina australis
'Electric Flash'
(Electric Flash)

Cordylina australis
'Red Sensation'
(Red sensation)

Cuphea hyssopifolia
'Jocelyn's Pink'
(False Heather)

Gardenia augusta 'Florida'
(Gardenia)

Hydrangea macrophylla
(Hydrangea)

Metrosideros 'Fiji Fire '
(Fiji Fire)

Michelia
yunnanensis
'Scented Pearl'
(Michelia)

Nerium oleander
'Dwarf Pink Ice'
(Oleander)

Philodendron
'Xanadu'
(Philodendron)

Phormium sp.
(NZ Flax)

Raphiolepis
delacourii
(Hybrid Indian
Hawthorn)

Teucrium fruticans
(Shrubby Germander)

Westringia fruticosa
'Aussie Box'
(Coastal Rosemary)

Westringia
fruticosa
'Aussie Box'
(Coastal Creeper)

Yucca desmetiana 'Blue
Boy'
(Yucca)

GRASSES& GROUND COVERS

Agapanthus 'White'
(Agapanthus)

Agapanthus 'Blue'
(Agapanthus)

Carpobrotus menziesii
(Native Pig Face)

Dianella prunina
(Blue Twist)

Evolvulus pilosus
(Baby Blue Eyes)

Gardenia augusta
'Radicans'
(Rock Gardenia)

Hardenbergia
violacea 'Meema'
(Native Sarsparilla)

Hibbertia scandens
(Snake Vine)

Lavandula
angustifolia
'Munstead'
(Munsread Lavender)

Lavandula sp. stoechas
'Avonview'
(Bush Lavender)

Liriope muscari
'Just Right'
(Lilly Turf)

Lomandra
confertifolia
'Seascape'
(Seascape)

Lomandra
'Little Con'
(Matt Rush)

Pandorea pandorana
'Snow Belles'
(Wonga Wonga Vine)

Pyrostegia venusta
(Flame Vine)

Scaevola aemula
(Fairy Fan Flower)

Senecio cineraria
(Dusty Miller)

Senecio cv.
(Blue Chalk Sticks)

Trachelospermum
jasminoides
(Star Jasmine)

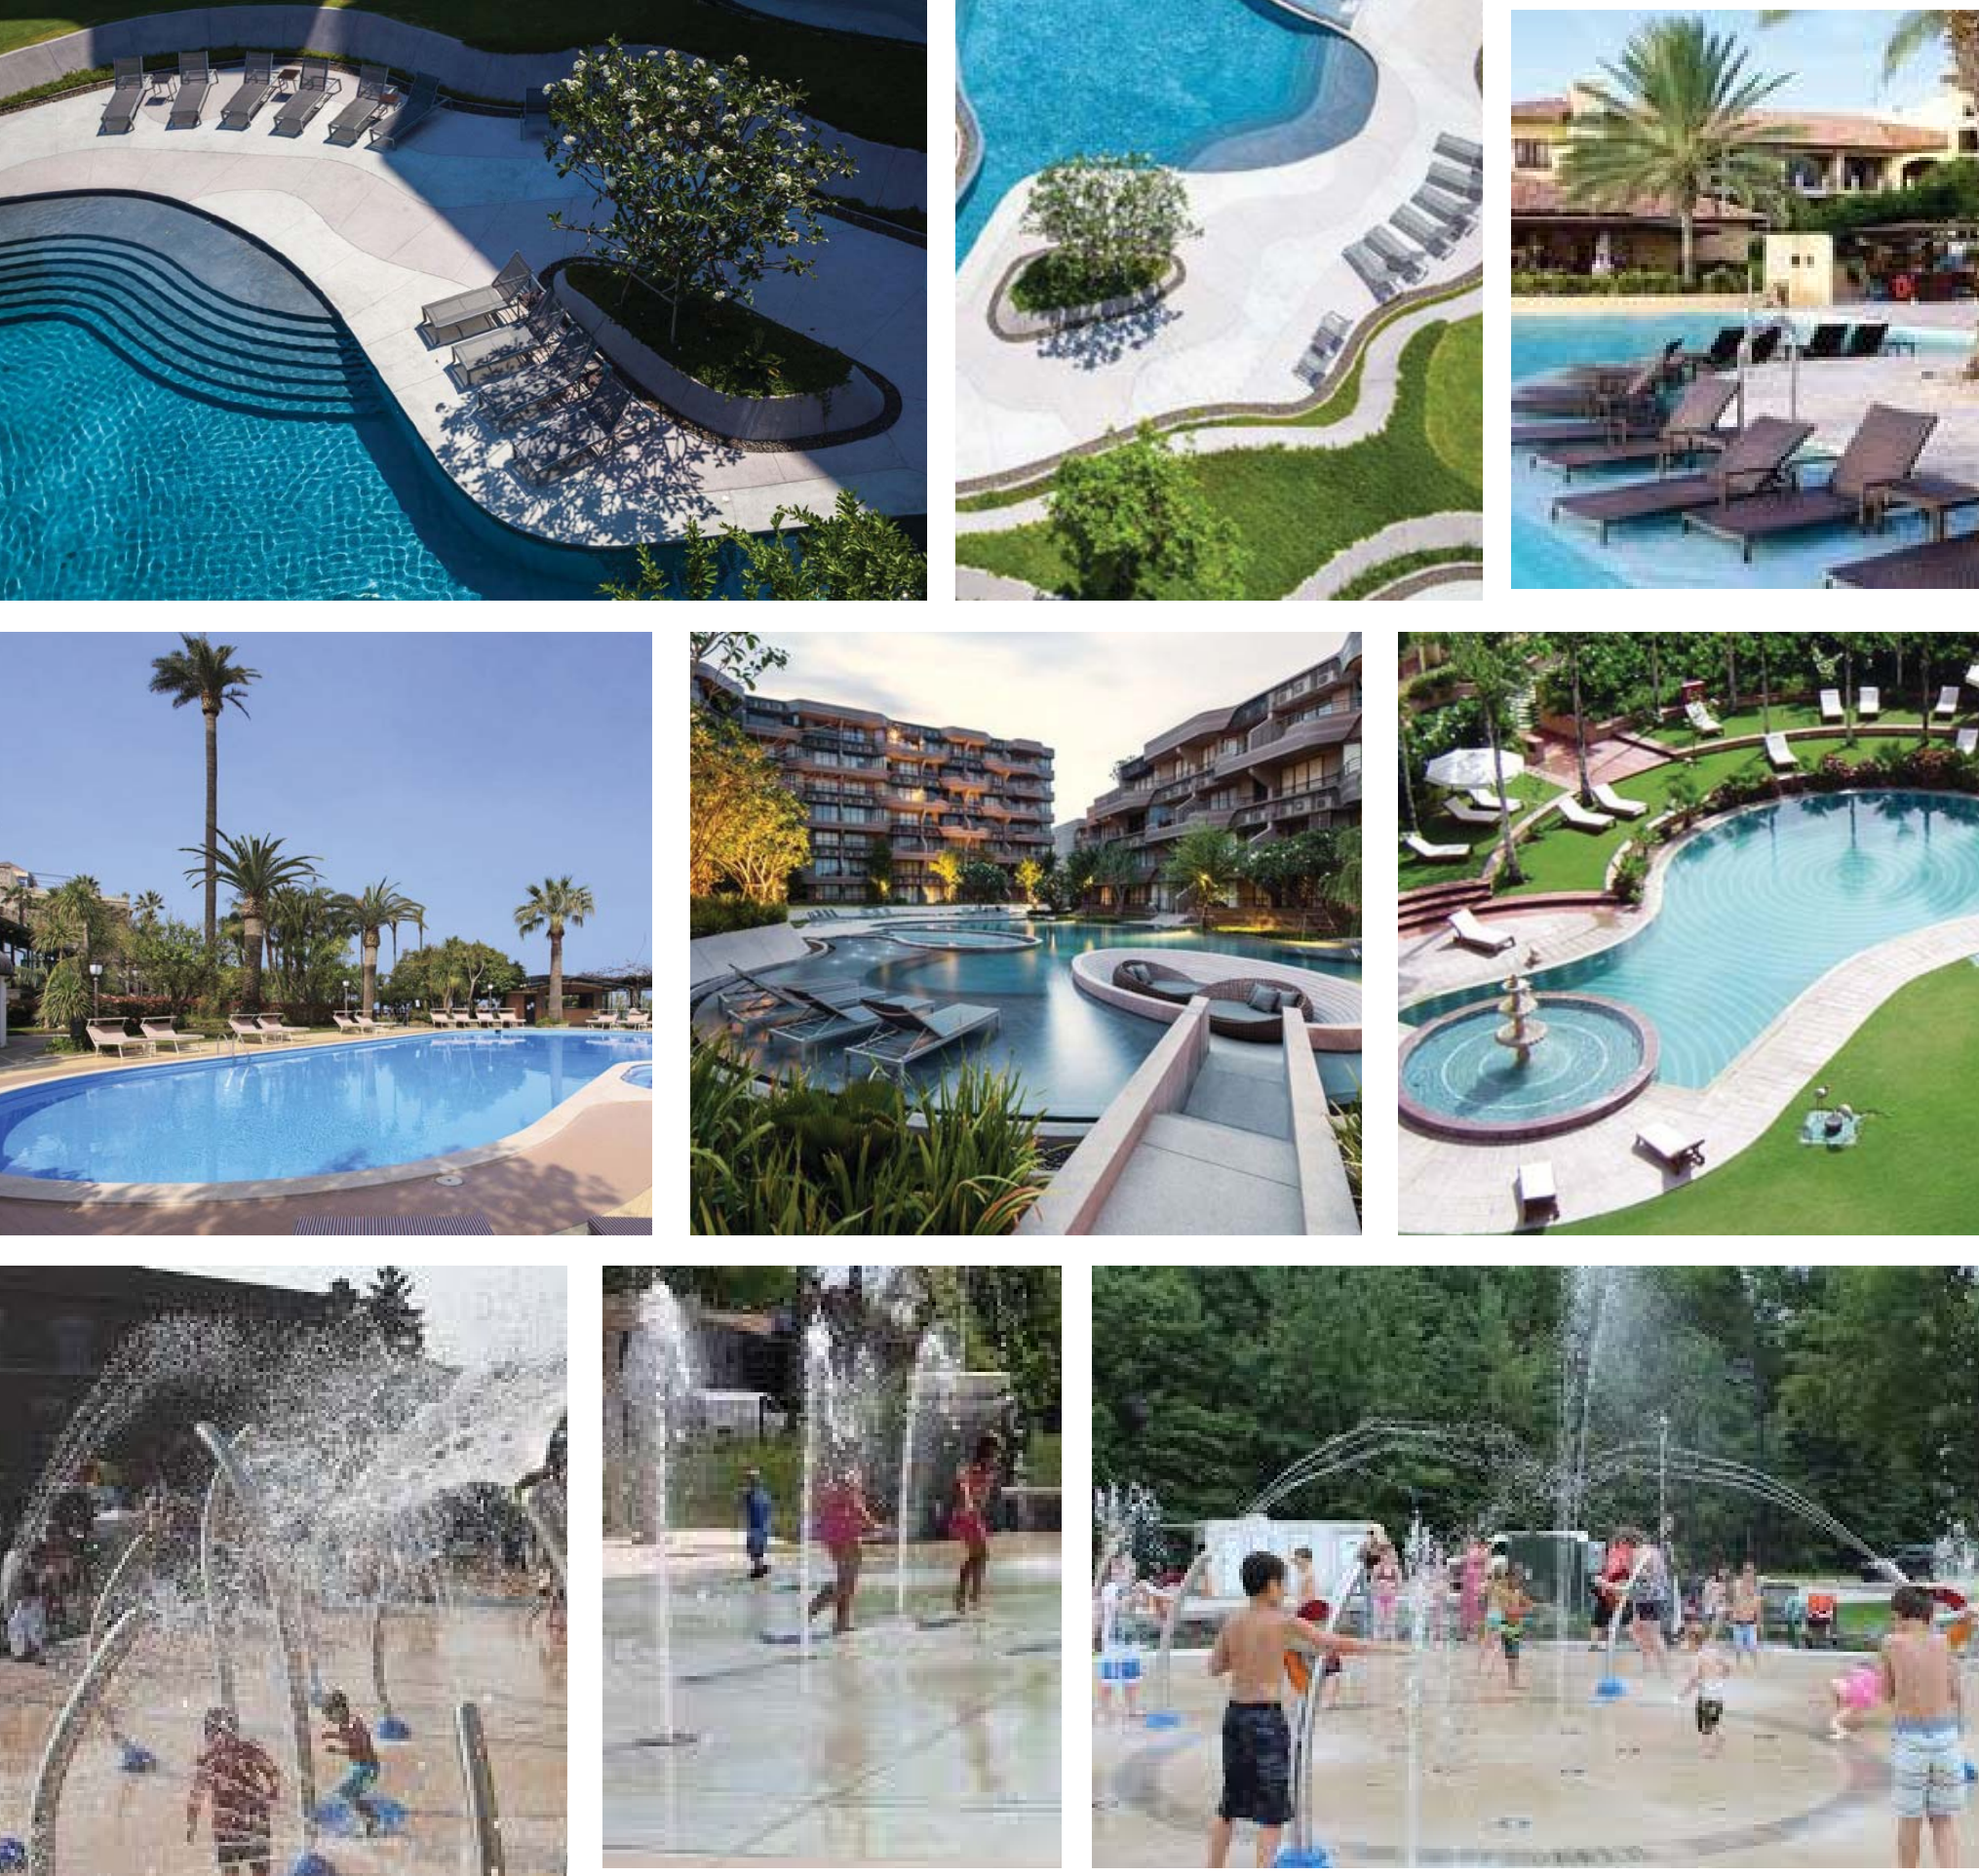

Vitis vinifera
(Ornamental Grape)
