PO Box 21  
PICTON, NSW, 2571

Dear Mr Vernez,

I refer to the Integrated Development Notice dated 29 February 2016, sent to the Office of Environment and Heritage (OEH) for a proposed subdivision of 1-4 Marsh Road Silverdale (Lot 1 DP 588912). This letter contains OEH's general terms of approval for those known Aboriginal sites which would require an Aboriginal Heritage Permit (AHP) pursuant to s.90 of the *National Parks and Wildlife Act 1974 (the Act)*.

OEH has the following requirements in relation to Aboriginal Cultural Heritage associated with the above development:

- If Aboriginal objects will be harmed as a result of this development a s90 Aboriginal Heritage Impact Permit (AHIP) must be sought and granted for these objects prior to the commencement of works.
- The AHIP application must be accompanied by appropriate documentation and mapping as outlined on page 6 of *Applying for an Aboriginal Heritage Impact Permit, Guide for Applicants* (OEH 2011).
- Consultation with the Aboriginal community undertaken as part of an AHIP application must be in accordance with the OEH *Aboriginal Cultural Heritage Community Consultation Requirements for Proponents 2010*.
- Any AHIP application must clearly articulate what area it applies to and should consider the management and appropriate mitigation measures for all Aboriginal objects within the application area, including long term management and protection of any objects that may not be impacted by the proposed development.

If you have any further questions in relation to this matter, please contact Sam Higgs, Archaeologist, on (02) 9995 6824.

Yours sincerely,

*S. Harrison 08/04/16*
