Dear Brad,

RE: Request for the withdrawal of DA/424/2016 - Stage 1 Concept Plan Development Application.

We refer to the abovementioned Stage 1 Concept Plan Development Application (DA) for the redevelopment of part of the Carter Street Priority Precinct.

As per discussions with Council on 9 August 2016, we formally wish to withdraw DA/424/2016.

Please advise if we are eligible to receive a refund for the non-incurred development assessment costs.

Thank you for your assistance in this matter.

Yours Sincerely,

Ary Bornoush
Design and Construction Director
