

SMALL TO MEDIUM TREES

Backhousia citriodora - with lemon scented leaves and masses of flowers

Magnolia 'Little Gem' - with large showy white flowers

Elaeocarpus 'Eumundii' , a reliable native tree

Tristaniopsis laurina 'Luscious'

FEATURE PLANTS AND LARGE SHRUBS

Camellia sasanqua

Doryanthes excelsa - with large red flowers

Callistemon citrinus - are great for attracting birds for providing shelter and their nectar

Zamia furfuracea

Philodendron 'Xanadu' - reliable feature shrub

SMALL TO MEDIUM SHRUBS, GROUND COVERS AND CLIMBERS

Azalea sp.

Loropetalum chinense 'Burgundy' for colour contrast

Banksia spinulosa - great for attracting birds for their nectar and shelter

Trachelospermum jasminoides - with beautiful sweet perfume

Eriostemon myoporoides - with soft citrus fragrant leaves and masses of flowers

Prostanthera sp - beautiful fragrant shrub, attracting insect eating birds

Lomandra 'Tanika'

Raphiolepis indica

Hardenbergia violacea - a native climber to tensile structures also great for birds

Mandevilla splendens - with large showy flowers

Wonga Wonga vine on tensile structures - with masses of perfumed white flower. A vigorous climber.

PROPOSED PLANT SCHEDULE

| Botanical name  | Common name              | cont.size | min. height at planting |
|---|--------------------------|-----------|-------------------------|
| LARGE NATIVE TREES 25 m                                 |                          |           |                         |
| Angophora costata                                       | Smooth barked Apple      | 100 L     | 2.5 M                   |
| SMALL/ MEDIUM FEATURE TREES up to 8m mature height      |                          |           |                         |
| Backhousia citriodora                                   | Lemon-scented Myrtle     | 75L       | 2m                      |
| Camellia sasanqua                                       | Sasanqua camellia        | 35L       | 0.6m                    |
| Elaeocarpus 'Eumundii'                                  | Eumundi quandong         | 75 L      | 1.8 m                   |
| Magnolia 'Exmouth'                                      | Evergreen Magnolia       | 75L       | 2m                      |
| Magnolia Little Gem                                     | Evergreen Magnolia       | 75L       | 2m                      |
| Tristaniopsis laurina 'Luscious'                        | Water Gum                | 75 L      | 2m                      |
| Plumeria acutifolia                                     | Frangipani               | 75 L      | 2m                      |
| MASS PLANTING / FEATUE PLANTS (up to 2 m mature height) |                          |           |                         |
| Azalea sp.  | Azalea                   | 200mm     | 1-2 m                   |
| Baeckea virgata   | Twiggy Heath Myrtle      | 200mm     | 0.2 m                   |
| Banksia spinulosa                                       | Hairpin Banksia          | 200mm     | 0.4m                    |
| Banksia ericifolia                                      | Heath Banksia            | 200mm     | 0.5 m                   |
| Callistemon citrinus                                    | Bottlebrush              | 200mm     | 0.5 m                   |
| Doryanthes excelsa                                      | Gynea Lily               | 300mm     | 0.4m                    |
| Eriostemon myoporoides                                  | Wax Flower               | 200mm     | 0.3m                    |
| Grevillea rosmarinifolia                                | Grevillea                | 200mm     | 0.4 m                   |
| Loropetalum chinense Burgundy                           | Chinese Loropetalum      | 250mm     | 0.2 m                   |
| Philodendron 'Xanadu'                                   | Dwarf Philodendron       | 800mm     | 0.5 m                   |
| Prostanthera sp   | Mint bush                | 200mm     | 0.5 m                   |
| Raphiolepis indica                                      | Indian Hawthorn          | 800mm     | 0.5 m                   |
| Helichrysum petiolare                                   | Licorice Plant           | 200mm     | 0.2 m                   |
| Raphiolepis Oriental Pearl                              | Indian Hawthorn          | 200mm     | 0.3m                    |
| Westringia fruticosa                                    | Coast Rosemary           | 200mm     | 0.3 m                   |
| Viburnum odoratissimum                                  | Sweet Viburnum           | 400mm     | 1.2 m                   |
| Zamia furfuracea  | Cardboard Plant          | 800mm     | 0.5 m                   |
| Zieria cytisoides                                       | Zieria Grey ghost        | 200mm     | 0.6 m                   |
| CLIMBERS/ GROUNDCOVERS / PERENNIALS                     |                          |           |                         |
| Lomandra 'Tanika'                                       | Dwarf Lomandra           | 150mm     | 0.2 m                   |
| Trachelospermum jasminoides                             | Star jasmine             | 150mm     | 0.4 m                   |
| Passiflora caerulea                                     | Blue crown passionflower | 150 mm    | 2 / m2                  |
| Clematis aristata                                       | Australian clematis      | 150 mm    | 2 / m2                  |
| Pandorea pandorana                                      | Wonga-wonga vine         | 150 mm    | 2 / m2                  |
| Hibbertia dentata                                       | Toothed guinea flower    | 150 mm    | 2 / m2                  |
| Hardenbergia violacea                                   | False Sarsparilla        | 150 mm    | 2 / m2                  |
| Mandevilla splendens                                    | Dipladenia splendens     | 150 mm    | 2 / m2                  |
