

Hi Chris,

In terms of the upper limit for the site, I note that it is 495,000 in your draft.

We would be happy to have it reduced to 200,000 per annum. For the purpose that if we ever sell the site to a company it is not determined to be too restrictive with volumes they may require. We consider this to be a reasonable compromise, particularly taking into consideration that is was Council's advice to ask for 495,000.

Regards

Kane
