Dear Sir or Madam

**Re: DA2016/413 Resource Recovery Facility Lot 12 DP1123163, Gormans Hill**

Thank you for the opportunity to provide advice on the above matter. This is a response from NSW Department of Industry – Geological Survey of New South Wales (GSNSW).

**General Information**

The subject site does not have any significant mineral resources or titles over the area. Accordingly, GSNSW has no resource concerns to raise regarding the proposal.

**Geoscience Information Services**

The GSNSW has a range of online data related to mineral exploration, land use and general geoscience topics:

<http://www.resources.nsw.gov.au/geological/online-services>

The location of current exploration and mining titles in NSW, explanations of mining and production titles and the roles of community and government in the decision making process for mining/resource projects may be accessed by the general public using the following online utilities:

<http://commonground.nsw.gov.au>

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the GSNSW Land Use team at [landuse.minerals@industry.nsw.gov.au](mailto:landuse.minerals@industry.nsw.gov.au).

Yours sincerely

Cressida Gilmore  
Manager - Land Use
