Hi Nelson,

This is separated from the rail corridor by water ways, and is for an industrial development. I don't consider a response is necessary.

Kerrie

Hi Nelson

As discussed, Council referred a Development Application to John Holland Group for comment. The DA is for a Resource Recovery Facility at 51 Upfold Street, Gormans Hill (Lot 12 DP1123163)

I have attached the letter we issued to you but the Statement of Environmental Effects is too large to send via email. Can you please review your files and ascertain if JHG have received it.

Please contact me if JHG did not receive the CD and Letter so I can send a complete copy of the documents.

Regards
