Attention: Development Assessment

Dear Sir/Madam

Re: Section 4.55 Modification Referral – General Terms of Approval
Dev Ref: DA1029/2017
Description: Controlled Activity – Works on Waterfront Land
Location: 27-61 NIKKO ROAD WARNERVALE 2259

The Natural Resources Access Regulator (NRAR) has reviewed documents for the above application to modify a DA Consent and considers that, for the purposes of the Water Management Act 2000 (WM Act), previously issued General Terms of Approval are adequate, remain current, and no further assessment by this agency is necessary.

Should the proposed development be varied in any way that results in development extending onto land that is waterfront land, or encompassing works that are defined as controlled activities, then the Natural Resources Access Regulator (NRAR) should be notified.

Further information on controlled activity approvals under the WM Act can be obtained from NRAR's website: www.water.nsw.gov.au, go to Water Licensing > Approvals > Controlled activities. Please direct any questions to Natural Resources Access Regulator by email to nrar.servicedesk@industry.nsw.gov.au

Yours Sincerely

Alison Collaros
