

## Declaration of Interest

MEETING DATE	3 April 2019
Panel reference	2017HCC030 – Lake Macquarie City Council – DA/1556/2017 236-288 Rhondda Road Wakefield and 102 Miller Road Wakefield

In relation to this matter, I declare that I have:

no known conflict of interest ☐

an actual<sup>1</sup> ☐, potential<sup>2</sup> ☐ or reasonably perceived<sup>3</sup> ☒ conflict of interest as detailed below:

I recently commenced a new role with Department of Planning & Environment Division of Resources and Geosciences. My role involves coordination with coal and mineral mining companies operating within NSW.

I have checked the current applicant and current land owner details for 2017HCC030 with the Panel Secretariat. I have confirmed that current owner of the subject land is a mining company.

Given the above, I have advised the Panel Chair that I consider a reasonably perceived conflict of interest has arisen and I have removed myself from the Panel in relation to this matter.

<sup>1</sup> An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.

<sup>2</sup> A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.

<sup>3</sup> A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.
