\*Note: Mature heights of plants are representative of plants growing in a typical street environment.  
Plants will vary according to the planting location and micro-climate.  
Reduce pot size where practical to keep within budget allowance from Agcorp.

GENERAL NOTES

Site stripped of polluted materials to 300mm. Imported soils used to enhance the growth of native plant species.  
Ensure that the top of turf is flush with adjacent surfaces (kerbs, edges etc.) below weepholes and with adequate setdowns to terminate barriers. Topdress to fill any voids and achieve a smooth finished profile.  
Clarence River Gravel to all planted areas - no organic mulch
