8.3 Subdivision

9. Dispute resolution

9.1 If a dispute arises in connection with this Deed, a party to the dispute must give to the other party or parties to the dispute notice specifying the dispute and requiring its resolution under this clause 9 (**Notice of Dispute**).

- 9.2 A person from each party with sufficient authority to resolve the subject matter of a Notice of Dispute, must confer within 3 Business Days after the Notice of Dispute is given to try to resolve the dispute.

In the award, the expert may make any appropriate adjustment for the performance of obligations under this Deed since the Notice of Dispute was given.
- 9.10 Subject to clause 9.8, a party must not commence or maintain a court action or proceeding upon a dispute in connection with this Deed until the dispute has been referred to an expert and determined under this clause 9.
- 9.11 This clause 9 continues in force even where the Deed has been fully performed, terminated or rescinded or where the parties or any of them have been discharged from the obligation to further perform the Deed for any reason.

11. Approvals and consent

- 11.1 Each party may conditionally or unconditionally give or withhold its approval or consent in its absolute discretion unless this Deed expressly provides otherwise.

12. Severability

- 12.1 If any provision in this Deed is unenforceable, illegal or void or makes this Deed or any part of it unenforceable, illegal or void, then that provision is severed and the rest of this Deed remains in force.

13. Sale of Land or Assignment

- 13.1 If the Developer proposes to enter into a Dealing in the nature of a sale or transfer, with any third party (**Transferee**) relating to the Developer's interests in the Land or any part of the Land, whether before or after this Deed takes effect pursuant to clause 4.2 then:

13.2.2 Council (acting reasonably) is not satisfied that the proposed Transferee is financially capable of complying with the Developer's obligations under this Deed in accordance with the deed of novation.

13.3 Without limiting clause 13.1, the Developer may not otherwise assign or deal with this Deed without the prior written consent of the Council which consent must not be unreasonably withheld.

13.4 The Council is required to give its consent under clause 13.3 if:

13.4.1 the Developer gives the Council at least 20 Business Days' notice of the proposed assignment;

14.2.1 the parties must take all practical steps, including the execution of any further documents, to ensure that the objective of this clause 14 is substantially satisfied; and

14.2.2 if clause 14.2.1 cannot be achieved without unlawfully fettering Council's Discretion, the relevant provision is severed and the rest of this Deed remains in force.

14.3 If:

14.3.1 the Legislation permits the Council to contract out of a provision of that Legislation or gives the Council power to exercise Council's Discretion; and

14.3.2 the Council has in this Deed contracted out of a provision or exercised Council's Discretion,

then to that extent this Deed is to be regarded as consistent with the Legislation.

15.2 No taxable supply

15.2.1 The parties believe that there is no GST liability in respect of the grant of the Development Consent by Council or the payment or provision of the Development Contribution because:

- (i) it is not consideration for the grant of the Development Consent or Deed to the Instrument Change by Council in accordance with section 81-5(2) of the GST Act; and
 - (ii) the payment of a monetary Developer's Contribution is not a supply by the Developer under section 9-10(4) of the GST Act; and

 - (i) it is not consideration for the grant of the Development Consent or Deed to the Instrument Change by Council in accordance with section 82-10(1) of the GST Act; and
 - (ii) the grant of the Development or Deed to the Instrument Change is not consideration for the supply of the non-monetary Development Contribution under section 82-5 of the GST Act.

15.3 If supply is a taxable supply

- 15.3.1 Despite clause 15.2, to the extent that the Commissioner of Taxation, a court or tribunal determines that any supply made under or in connection with this Deed is a taxable supply, the GST exclusive consideration otherwise to be paid or provided for that taxable supply is increased by the amount of any GST payable in respect of that taxable supply and that amount must be paid at the same time and in the same manner as the GST exclusive consideration is otherwise to be paid or provided. A party's right to payment under this clause is subject to a valid tax invoice being delivered to the recipient of the taxable supply.

- 6.7 The Developer irrevocably appoints the Council as its attorney to execute all such documents and do all such things on the Developer's behalf as are necessary or desirable to enable the Council to rectify any Defects in accordance with a Rectification Notice given under this Agreement.
- 6.8 Promptly after the expiration of the First Defects Security Period, Council must return to the Developer any unused portion of the Rectification Security. If any Rectification Notice is outstanding at this time, Council may retain a reasonable amount of the Rectification Security relevant to the Defect in question. In this case, any remaining Rectification Security must be returned promptly to the Developer on the issue of a Rectification Certificate that resolves that outstanding Rectification Notice.
