RESCHEDULING OF PUBLIC MEETING – SYDNEY EASTERN CITY PLANNING PANEL

2017SCL013 – Canada Bay - DA2017/0023

8 Kings Avenue Five Dock

Demolition of existing structures and construction of a seniors living development containing 79 self-contained rooms within 2 x 4 storey buildings over basement car parking.

The Panel meeting previously scheduled to determine the above development application on Tuesday 19 December 2017 has been rescheduled. This is due to an administrative error where unfortunately the Planning Panels Secretariat received an incomplete list of submissions from Canada Bay Council. Rescheduling of the meeting ensures that local residents have adequate notice to attend the meeting should they wish.

The Panel will now meet:
