Architectural site plan of a house. The plan shows a house with a carport, a living/dining area, and a backyard. A water tank is located in the backyard. A fence is shown with a 1800mm dimension. The plan includes a north arrow and a scale bar. The text 'CARPORT', 'LIVING / DINING', 'BACKYARD', and 'WATER TANK' are labeled. The text '2450 CEILING' is also present. The text 'FENCE' and '1800' are also present. The text 'TANNING PLANTER' and 'REFER TO CIVIL' are also present. The text 'DETAILS' and 'SITE PLANS' are also present. The text 'FOR INFORMATION' is also present.

This architectural floor plan illustrates the second floor of the 'Small House'. The layout is symmetrical, featuring two bedrooms on the left and right sides, each with a built-in bed and a wardrobe. The central area is divided into two living/dining spaces, each containing a sofa, a coffee table, and a dining table. A central hallway provides access to these rooms and includes a side passage leading to a bathroom. The plan also shows a staircase leading up to the third floor and a side passage leading to the first floor. The overall design is modern and functional, with a focus on maximizing space in a small footprint.
