APPENDIX A - SOCIAL IMPACT COMMENT INITIAL ASSESSMENT FORM

Instructions for completing this form

Applicants of developments where social impact assessment is required must complete this form.

The completed form should either be submitted to Council prior to the pre-DA meeting (where a pre-DA meeting has been requested) or submitted with the development application (unless it has been determined that a CSIA report is required and is submitted with the development application instead).

	cific Population Groups
Will the developn	nent increase or decrease inclusive opportunities (social, cultural, recreational,
Explanation: Cov	ernance) for groups in the community with special needs?
ichs education fu	ncil has a Social Justice Policy, which promotes access to life opportunities (e.g.
those with special	Il participation in the cultural life of the community) and inclusiveness for all (including needs – young people, aged population, CALD communities, Aboriginal community,
neonle with a disa	ribility, children and women). Developments can increase inclusiveness through the
provision of cultur	ally appropriate facility design and programs, and the avoidance of communication
barriers.	any appropriate radiinty design and programs, and the avoidance of communication
Refer to Council's	Community Strategic Plan, Growing Liverpool 2023, Social Justice Policy, LEAPS
Multicultural Plan,	Youth Strategy and Disability Strategy available for download on Council's website.
If ves. I	priefly describe the impacts below
H	fordable housing promided.
