Attn: Ms Hayley Tasdarian

Dear Hayley,

DA 382.1/2017
177 NEWTON ROAD, WETHERILL PARK
SWEPT TURNING PATH DIAGRAMS

I refer to your email dated 7 February 2018 addressed to *Ian Conry* at *Zhinar Architects* requesting additional information in respect of the *swept turning paths* of trucks at the exit driveway where trucks turn left into Newton Road.

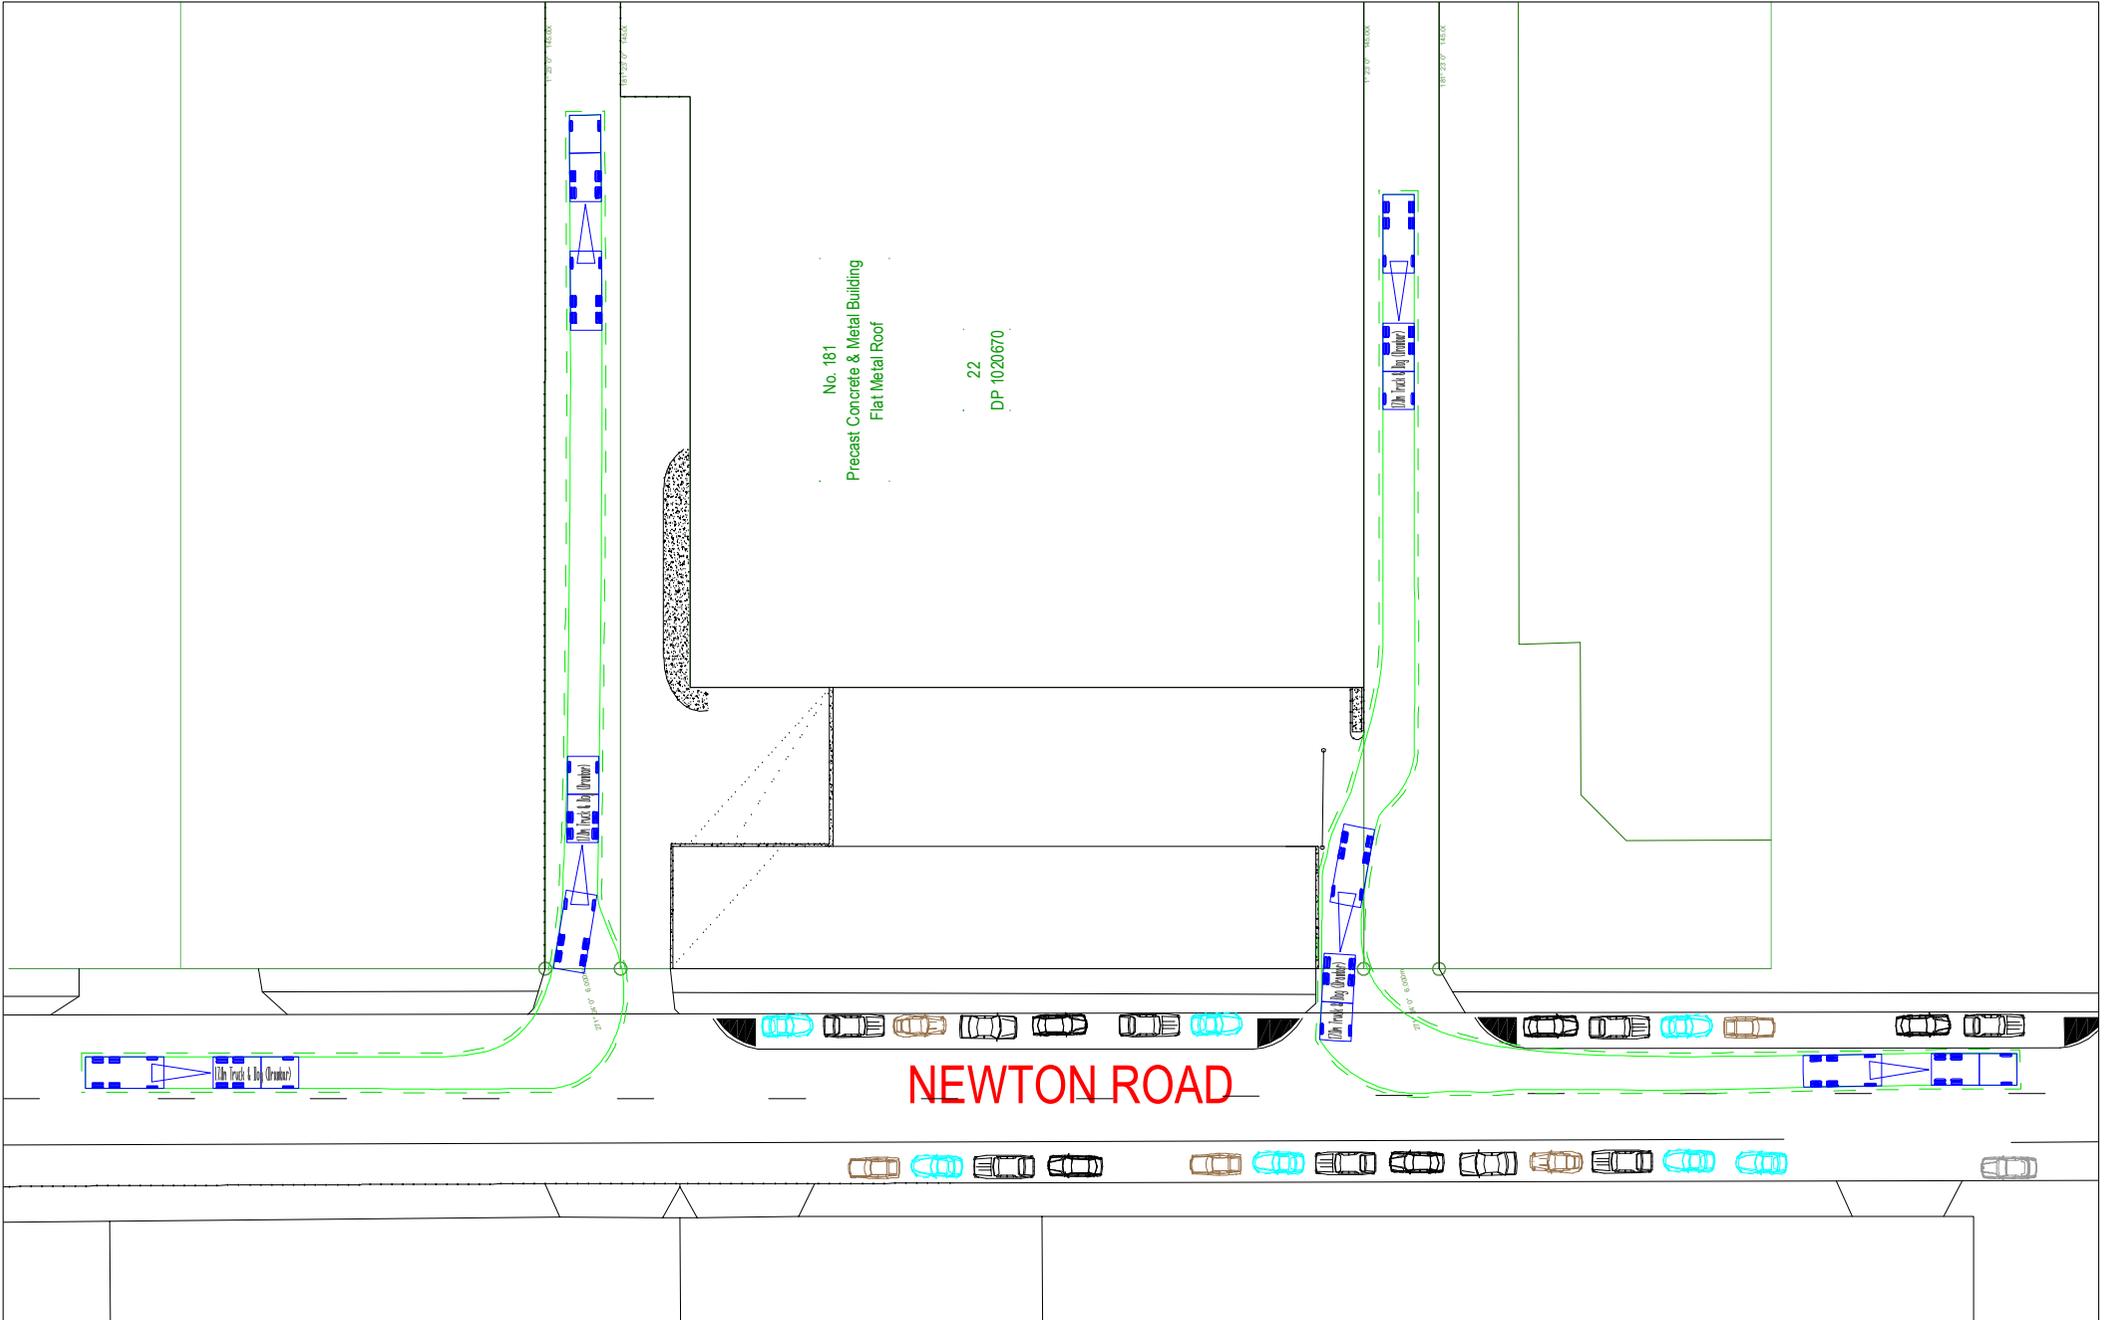

Please find attached *swept turning path* diagrams which have been prepared using the *Autodesk Vehicle Tracking 2018* program in accordance with the requirements of *AS2890.2 – 2002*.

The *swept turning path* diagrams confirm that an *11m long rigid truck* and a *17m long truck and dog trailer* will be able to turn left into Newton Road from the exit driveway without requiring any changes to the width of the driveway or the kerbside parking space located to the east of that driveway.

Please do not hesitate to contact me on telephone 9904 3224 should you have any enquiries.

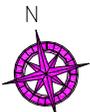

Yours sincerely

Robert Varga
