All work to be carried out in accordance with the Building Regulations and the relevant standards. The design is based on the information provided by the client and is subject to change without notice. The design is for a proposed development and is not a guarantee of performance. The design is for a proposed development and is not a guarantee of performance. The design is for a proposed development and is not a guarantee of performance.

LEGEND

Proposed Development

As shown on the site plan, the proposed development is located on the eastern side of the site, adjacent to the existing building. The proposed development is a single storey building with a total area of 1,487.51 sq. m. The proposed development is shown in blue on the site plan. The existing building is shown in grey. The site plan also shows the proposed parking area, the proposed access road, and the proposed boundary line. The site plan is drawn to a scale of 1:1,000.
