Mr Justine Doyle
Chairperson
Sydney Western City Planning Panel
c/- Panels Secretariat
Department of Planning and Environment

Dear Mr Doyle

I am writing in relation to the development application for the Varroville cemetery proposal (3293/2017DA-C) and the Wallacia cemetery proposal (DA 17/1092) which have both been referred to the Minister for Planning under section 4.33 of the *Environmental Planning and Assessment Act 1979*.

In order to prevent duplication I have requested that the Penrith City and Campbelltown City Councils provide the Independent Planning Commission with all the relevant documents in relation to their assessment of the applications as soon as possible, whether or not the Councils' assessments have been finalised. The Commission will finalise the assessment prior to making a direction to the Sydney Western City Planning Panel in relation to the determination of the application.

The Commission will provide the Panel with copies of each of its assessments and will consult with the Panel regarding the terms of the proposed determinations, including conditions of consent if it is proposed to direct that development consent be granted.

Should you have any questions in relation to this matter, please contact David McNamara, Director Secretariat, at the Commission on 9383 2101.

Yours sincerely

29 JUN 2018

Anthony Roberts MP
