

Secretary's Certificate
Satisfactory Arrangements for State Public Infrastructure Provision

In accordance with the provisions of *Clause 6.1(2)* - Arrangements for designated State public infrastructure, of the *Cowra Local Environmental Plan 2012* (the LEP), I, Brendan Nelson, Deputy Secretary Growth, Design and Programs, as delegate of the Secretary of the Department of Planning and Environment, certify that satisfactory arrangements are in place for the provision of State public infrastructure in respect of the land within the specific urban release area shown in the attached map titled 'Area of Land of Secretary's Satisfactory Arrangement Certification – Cowra' containing one map sheet.

This satisfactory arrangement certification relates only to DA 3/2017. Future development applications lodged in respect of land within the urban release area which trigger the requirements of *Clause 6.1(2)* of the LEP will require further agency consultation at that time. Should there be a change to the existing planning controls applicable in the urban release area, further advice should be obtained from the Department on whether satisfactory arrangement certification remains valid.

Brendan Nelson

26/9/17

Deputy Secretary Growth, Design and Programs
