Information on the Flood Management Plan

This information is provided in response to the request for additional information on the Flood Management Plan at Australian Christian College.

Australian Christian College has the following procedures in place for managing flood incidents:

1. Internal evacuation routes posted in the campus.
2. Students and staff practice internal evacuation on an annual basis.
3. A procedure for notifying all stakeholders in the event of a flood evacuation through SMS.
4. A designated safe zone located at the Riverstone Town Centre and/or Norwest Christian College (in the event that the town centre not safe).

In addition to the procedures, the school maintains contact with the Quakers Hill LAC in the event of local road closures due to flooding.
