**RE: Interim Parking Arrangement between Hunter Parking and Storage and Lingard Private Hospital**

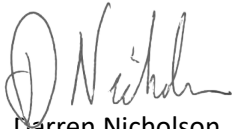

Hunter Parking and Storage, specifically Civic West Car Park located on Gibson Street, Newcastle; have entered into terms with Lingard Private Hospital.

Up to 50 car spaces will be reserved at Civic West Car Park for Lingard Private Hospital staff to utilise for a period up to six (6) months whilst the construction of the hospital car park is being completed.

These spaces will be allocated as per our normal car parking system and will be tracked by number plate recognition, this will enable Lingard Private Hospital staff to access the car spaces at any given time.

If you require further information about this interim parking arrangement, please don't hesitate to contact my assistant, Louise Brooks at [louisebrooks@lakemaint.com.au](mailto:louisebrooks@lakemaint.com.au).

Kind Regards,

Darren Nicholson
