KEY ISSUES DISCUSSED

- Overview of what is proposed.
- The intended future development of the site subject to a State Significant DA.
- Clarification to be sought on the intended future use – what is an “Acute Health Services Facility?”
- The trigger for the SECPP determination.
- Whether the future development will take account the controls within the Randwick Local Environmental Plan 2012 and the Randwick Comprehensive Development Control Plan 2013 (RDCP).
- Whether the RDCP will need to be amended to take account the additional area of the hospital campus.
